Fair, cold, few snow flurries tonight; Wednesday fair, slightly milder. Noon today, 35. Maximum for 24 hours ending 7:30 a.m. today, 35; minimum, 23.

THE MARION STAR

HOME EDITION

Vol. 77, No. 89 | The Associated Press, International News Service, United Press, The Brush-Moore State Wire | MARION, OHIO, TUESDAY, MARCH 16, 1954 | 24 PAGES | 5c Single Copy | 30c Weekly by Carrier

Amount Not Determined

Suggested School Levy Wins Local Civic Groups' Support

Representatives of 22 Marion civic, service and business groups last night strongly favored a proposed school levy to increase teachers' salaries and to furnish kindergartens at 10 elementary schools.

Meeting with the Marion City Board of Education at Harding High School, the representatives felt a school levy is vital to Marion's educational future.

Sentiment of the group appeared to favor placing the levy on the May primary ballot.

—:—

THE BOARD OF EDUCATION, for comparison purposes, suggested a three-mill levy, for it would take three mills to bring Marion in the middle of 18 Ohio cities of comparable size and makeup. Two and one half mills would be for salaries and one-half mill for kindergartens.

Actual size of the levy to be asked will be determined after more discussion by the board.

Sentiment was voiced by the representatives for a five-mill levy. Five mills, they explained, would allow Marion to compete favorably with other Ohio cities of comparable size in obtaining and retaining good teachers.

Sixty per cent approval by the voters would be required if the levy were put on the May primary ballot while a simple majority would be required in the November election.

The representatives appeared to favor the primary ballot for, if passed, the levy would be used for opening of kindergartens next fall and in competing for teachers for the 1954-1955 school term.

—:—

L. L. DICKEY, Marion City schools superintendent, presented figures showing Marion's present status with 18 other cities of comparable size and makeup. Dickey's figures showed that Marion ranked:

1. Last in average teacher's salaries, with an average of $3,566 compared with Elyria's top figure of $4,340.

2. Thirteenth in current operating resources per pupil. Marion spends $202.07 per pupil compared with Warren's high of $354.25 and Lima's low of $173.17.

3. Fourteenth in current operating resources from local taxes with $124.78 com-

Income Tax Cut Proposal Scored by Ike

Calls Democrats' Plan To Boost Exemptions Politically Motivated

WASHINGTON (AP)—President Eisenhower's head-on opposition to a Democratic tax cut plan sent Republican and Democratic House leaders scrambling today for the few votes that may decide the issue.

The President carried his opposition to the country last night in a radio and television address in which he denounced the Democratic proposal to boost individual income tax exemptions as unsound and politically inspired.

Believes Address Successful

House Speaker Martin (R-Mass) said he is "quite sure the President's address will have the effect of rallying many Republicans and Democrats to his stand."

But Rep. Rayburn (D-Tex), the Democratic House leader, indicated by his comment that his party plans to press the tax cut campaign in the House. He said the Eisenhower tax program gives "favored treatment to a few taxpayers but not to the many."

Rayburn was picked to state the Democrats' case in a radio and TV broadcast tonight on the eve of the House battle opening tomorrow. Aiding him will be Sen. George of Georgia, senior Democrat on the Senate Finance Committee, and Rep. Cooper of Tennessee, ranking Democrat on the House Ways and Means Committee.

House Democrats are pushing a proposal to boost individual tax exemptions to $700 from the present $600. George has proposed an increase to $800 this year and $1,000 in 1955.

Warns of Infiltration

Eisenhower asserted last night that this would lead to "bigger and bigger deficits . . . further inflation."

An $100 increase in the personal tax exemption would save taxpayers about $2,400,000,000 and add that much to the budget deficit that the administration is struggling to keep down, GOP leaders say.

Under the Democratic plan, more than four million persons

French Rout Bitter Rebel Attack at Dien Bien Phu; Vietminh Offensive Stalls

NEW NAVY PLANES. The Navy Department has announced the development of two new-type fighter planes that can take off and land in a vertical position. Once airborne, Navy spokesmen say, the planes can hit up to 500 miles an hour. In the top photo, the new Lockheed XFV-1 stands on its tail in takeoff position. The plane is powered by turboprop engines. At the bottom is the new Convair XFY-1 delta-wing fighter. It also is resting on its tail with its nose pointing straight up in takeoff position.

Reds' Assault Halted Within Sight of Fort

Rebel Losses in Four Days of Fighting Set At Upwards of 6,000

HANOI, Indochina (AP)—Screaming Vietminh shock troops surged today to within a half mile of the heart of the Dien Bien Phu fortress, then faltered and fell back under sheets of fire from the French Garrison, packing their dead and wounded with them.

Masses of the Communist-led rebels staged the attack from the encircling hills in a driving rain, firing rifles, pistols and machine-guns and throwing grenades and spears. French-manned American guns tore wide gaps in their ranks. A French Army spokesman said thousands of the rebels were cut down.

Up to 8,000 Casualties

Unofficial estimates of the Vietminh dead and wounded in the four days of battle for the wire-ringed plain, in a strategic sector of the northwest Indochina, rose to between 6,000 and 8,000.

Broken, bullet-riddled bodies of rebel dead dangled like scarecrows on the barbed wire as the outnumbered French Union forces fought desperately to keep the plain out of rebel hands.

Outcome Still in Doubt

It was the most savage battle of the seven-year Indochina war. Early today the outcome—certain to have a major effect on the Geneva conference next month—was still in doubt.

The fighting which began Saturday afternoon raged furiously through last night as thousands wildly screaming Communist-led rebels, backed by artillery from Communist China, charged repeatedly into the bristling, American-armed defenses of the fortress plain.

The "do-or-die" fanatic rebel charges over the mounting bodies of their own dead resembled the Communist onslaughts on United Nations troops in the Korean War. For the first time in the long Indochina war, the Vietminh abandoned their guerrilla tactics for an all-out frontal assault.

(Turn to INDOCHINA, Page 10)

CRITICIZED. A House appropriations subcommittee has commented critically on a $1,200 fence, dog run and kennel built at Fort Dix, N.J. by Maj. Gen. Roderick R. Allen, above, when he was post commander there. Committee members said they were opposed to taxpayers meeting such a bill.

Full Hearing Asked

McCarthy Confers With Senate Group

WASHINGTON (AP)—Sen. McCarthy (R-Wis) and his Senate investigations subcommittee went into a showdown meeting today on his row with Army officials. Democratic members were demanding a full public hearing on the charges and countercharges.

States Objections

Sen. McClellan (D-Ark), who calls signals for the group's Democratic members, told reporters he would insist at the closed door meeting that the subcommittee:

1. Ask that its parent body, the Senate Government Operations Committee, take over the inquiry.

2. Have all testimony taken in public hearings.

3. That the group hire a "special and impartial" staff to assist in the hearings. A reporter asked whether he was disposed to "let the staff that is under fire" participate and McClellan answered "no, sir."

The subcommittee's entire membership of four Republicans and three Democrats turned out for the meeting. Sen. Lennon (D-NC), a member of the parent government operations committee, went into the room a few minutes after the session was convened.

McCarthy, who had declared earlier he would fight any moves to have the subcommittee step aside and hand the inquiry over to some other group, refused further comment as he went into the meeting.

McCarthy heads the government operations committee as well as the investigations subcommittee. McClellan is the senior Democratic member of both groups.

Back McClellan

Sens. Symington (D-Mo) and Jackson (D-Wash) spoke staunch support for McClellan's stand as they went into the hearing. Like McClellan, they said they would demand also that the Army and McCarthy give them any additional available documents that could shed further light on the row.

Frank P. Carr, the subcommittee's chief of staff who is one of those under fire, and Robert F. Kennedy, special counsel to the Democratic members, stayed only briefly inside the meeting room with the senators. They left, refusing to comment.

Roy Cohn, chief counsel, did not go near the meeting room.

McCarthy accuses Secretary of the Army Stevens and John G. Adams, the Armys general counsel, of using "blackmail tactics to block his investigations of alleged Reds in uniform.

Army officials accused McCarthy and Roy Cohn, the subcommittee's chief counsel, of exerting improper pressures to win special favors for a drafted pal, wealthy Pvt. G. David Schine, a former member of their staff.

Wants Voice in Hearing

Worried Senate Republican leaders called a closed-door huddle of their own to consider their course in the blazing fight which pits Republican against Republican in this campaign year.

McCarthy has agreed to step aside temporarily and let another

Truck Struck By 4 Bullets in Morrow County

Driver Not Injured, Two Tires Are Ruined In Mystery Shooting

The driver escaped injury last night when a truck was shot at by a passing motorist, the Marion post of the state highway patrol reported today.

According to patrolmen, a large truck and semi-trailer outfit owned by the Dixie Ohio Express Inc. of Akron and driven by James Belknap, 25, of Akron was fired on by a motorist driving behind it.

Patrolmen said several shots were fired from the car and four bullets struck the rear of the truck. The shooting took place at 10:30 p.m. last night on Route 42, four-tenths of a mile south of the Richland County line in Morrow County.

Officers reported the truck driver pulled off the road at the next filling station but was unable to give a description of the car that had been following him. Patrolmen would not say what type weapon was used pending further investigation of the case.

T. E. Woodward, operations manager of the trucking firm, told The Star today the truck was not fully loaded and was carrying a miscellaneous cargo, "nothing anyone would want to hijack."

He said he had not seen any of the bullets and could not identify the weapon, either. The gunman apparently had aimed at—and hit—the truck tires, because two of them had needed to be replaced, Woodward said.

This was the first such shooting occurring to Dixie Ohio trucks, he reported. Unable to think of any motive, he attributed the incident to "some crank."

The truck was traveling from Akron to Columbus and was able to continue the trip after changing the tires. The Ohio trucking firm services an area from Buffalo, N.Y., to Georgia and Alabama.

PHILLIES SELL WAITKUS

CLEARWATER, Fla. (AP) — The Philadelphia Phillies today sold first baseman Eddie Waitkus to the Baltimore Orioles of the American League for a price reported "well in excess of the waiver price."

$3,000 Raised For Survey of Traffic in City

A campaign to raise funds for a traffic and grade crossing engineering survey in Marion was reported $3,000 nearer its goal at a meeting held Monday night at the YMCA.

Members of a citizen's committee and a Chamber of Commerce joint traffic committee reported on the collection among merchants in the drive to raise a total of $12,000 through popular subscription.

John V. Ruth, chairman of the citizens' committee, said that in the past two weeks a total of some $1,500 has been raised by personal solicitation of businessmen by committee members. The committee had raised another $1,500 previously.

The drive to collect funds began last September after the citizens committee was formed in a meeting held at the Taft Junior High School.

Total estimated amount needed to finance the traffic survey is $20,000. Marion City Council previously set aside $6,000 and the Marion County Commissioners $2,000 as their shares of the total cost.

Charter Group Nears Windup Of Initial Draft

Commission Members Ready To Set Out on Re-Examining Work

The Marion City Charter Commission last night neared completion of the first phase of its efforts to draft a charter embracing the city manager form of government.

The commission has in past months outlined tentatively the major departments and officials of this form of government, and stipulated provisions governing the functions of city government. About all that remained for the meeting of last night and ones that will follow is a sort of "cleaning-up" of details.

More Sections Approved

Last night the commission tentatively approved sections dealing with the oath of office, effective date of the charter, the city hospital, library and judicial system. In each case, the existing laws would remain in effect under the charter.

The same idea governed discussion of public utilities, works and safety, as well as the city health department. The drafting committee was instructed to draw up charter sections in line with the present set-up and with charters of other cities operating under the city manager plan.

Provision Revised

The commission did discuss one new departure from the present arrangement of the park and recreation boards. Commission members felt the operation would be improved if parks and recreation were controlled by an administra-

Truck Firm Seeks To Avoid Tax Rap

COLUMBUS, Ohio (AP) — Frank Eichenberger, president of Motorways, Inc., says he will set up two new trucking firms in West Virginia because of truck-tax reciprocity breakdown between Ohio and other states.

By licensing trucks under the New Motorways Corp. of West Virginia and Motorways Leasing Corp., the company can avoid punitive taxes levied by states retaliating against Ohio for failure to grant reciprocity under the new axle-mile tax.

Eichenberger said Motorways Corp. of Ohio will continue to operate here.

FBI Breaks Up Extortion Case On West Coast

Make-Up Producer Max Factor Intended Victim of Ohio Man

LOS ANGELES (AP) — An FBI agent, made up to look like make-up manufacturer Max Factor Jr., helped trap an unemployed man accused of trying to extort $30,000 from Factor under threat of blasting him and his family with a time bomb.

Wendell Martin Ringholz, 47, of Northridge, father of three children, was arrested yesterday as he picked up a dummy bundle of money in an orange grove in San Fernando Valley.

The arrest climaxed week-long negotiations by letter, telephone and a newspaper ad and marked the third time the package had been planted at spots designated by the would-be extortionist. The

Adm. Radford Explains U.S. Military Plans

'New Look' Declared Matter of Necessity By Joint Chiefs' Head

WASHINGTON (AP)—Adm. Arthur Radford, chairman of the Joint Chiefs of Staff, said today the nation's military "new look" would have come "no matter what administration was in power."

The admiral said in an interview the new military concept does not mean there is no strategy except "massive retaliation with atom weapons."

It is a plan based on hitting back at selected targets, he said, but not necessarily with nuclear missiles.

The interview, along with a prepared statement by the nation's ranking military man came in the midst of Senate appropriations subcommittee hearings on armed services appropriations.

These produced yesterday an expression of concern from the Army that it was being unduly cut down in the reshuffling of service roles.

But Radford, before appearing before the subcommittee said the "new look" is less a radical change than a reappraisal of military methods. He added:

"It would have been done no matter what administration was in power."

And he said ground forces could be "safely reduced."

Saxbe Lauds Ohio Assembly Achievements

CANTON, Ohio (AP) — William Saxbe, candidate for the Republican nomination to the U. S. Senate, said today Ohio's Legislature last year "kept promises made to the voters by its leadership and conducted its business in an orderly manner that reflected credit on its membership.

Saxbe, speaker of the Ohio House, listed eight major achievements of the General Assembly in a speech today at a luncheon meeting of the Canton Lions and Kiwanis clubs.

The eight major highlights of the session as listed by the 37-year-old Mechanicsburg attorney:

Recodification of 20,000 sections of Ohio law, establishment of a 40 million dollar annual construction program, creation of new highway safety department, 8½ million dollars boost in funds to help ease Ohio prison problems, increases in both urban and rural school appropriations, increase in minimum benefits for permanently and totally disabled, tripling of state's income from race tracks, appropriations for essential highways in southern Ohio atomic energy plant area.

Saxbe is slated to speak tomorrow night in Toledo to the War Veterans Republican Club of Lucas County.

Polio Vaccine Test Okayed in Akron Schools

AKRON, Ohio (AP) — The Akron Board of Education voted last night to approve participation of 14,309 first, second and third grade public school children in a mass polio vaccine test next month.

Similar action will have to be taken by school boards for about 14,500 other Summit County youngsters before the tests, which also require parental consent.

The vaccine, developed by Dr. Jonas E. Salk, 39, University of Pittsburgh bacteriologist, is given in three shots. In two other Ohio counties—Montgomery and Richland—the nationwide tests will be made to determine the extent of immunity from infantile paralysis provided by the vaccine.

Senate Group Okays Bill To Cut Voting Age to 18

WASHINGTON (AP) — President Eisenhower's proposal to lower the minimum voting age to 18 has finished the first lap of its journey through Congress.

It was approved 7-3 yesterday by the Senate Judiciary Committee. The voting age in all states but Georgia now is 21. Georgia lowered the minimum to 18 during World War II.

Study Broadened

Giant New Atom Smasher Designed To Aid Science

By RENNIE TAYLOR
AP Science Reporter

BERKELEY, Calif. (AP) — The greatest thing yet in atom smashers—a mammoth machine which will lead scientists onward into the exciting mysteries of the atomic nucleus—was unveiled today at the University of California.

With this electronic giant scientists may turn up some more surprise discoveries such as those which led to the atom bomb. A vast new field for deriving energy from matter is among the possibilities.

More To Be Learned

Although scientists had to learn something about the nucleus to make the A-bomb, they still don't know much about it. To find out more they must bust the atom more thoroughly than ever before. The new machine, called the bevatron, is designed to do that.

The bevatron, a part of famed Prof. Ernest O. Lawrence's radiation laboratory, is a racetrack-shaped affair of steel and copper 135 feet in diameter and 14 feet high—the largest nuclear research instrument in existence.

Five-Billion Volt Capacity

It weighs 10,000 tons, about the weight of an ordinary-sized U. S. cruiser. It cost 9½ million dollars and was financed by the Atomic Energy Commission.

Six years were required to design and build the machine. The actual construction required four years.

A month ago the machine was cautiously started for the first

Seven Days To Register

IF YOU LIVE in the city of Marion (and the rural voting precincts of Big Island Township, LaRue, Marion Township North, Marion Township South, Pleasant Township North, Pleasant Township South, Prospect Township, Prospect North, Prospect South, and Richland Township) you must be registered to cast your ballot in the May 4 primary election.

You must register if you have not voted for the last two years, if you live in one of the rural precincts for which registration became a requirement last year and did not register for the November election, or if you will be 21 years old on or before Nov. 2.

You must transfer your registration if you have moved since the last November election.

Deadline for registration is Wednesday, March 24.

PLACE: Board of Elections office on the ground floor of the Marion County Courthouse.

HOURS: Monday through Friday, from 8:30 to 11:30 a.m., and from 1 to 4:30 p.m. Saturday until noon.

Registered Marion voters as of Jan. 1, 1954	**16,645**
Registered Marion County voters as of Jan. 1, 1954	**3,610**
Registered and transferred Monday	**4**
All-time high Marion registration, Nov. 2, 1952	**18,112**

Seminary Chorus To Sing in Marion Wednesday

COMING TO MARION WEDNESDAY night for a "musical worship service" at Emanuel Lutheran Church will be the Seminary Chorus of Capital University at Columbus. The chorus of 45 students of the theological seminary is directed by Robert Snyder, son of Prof. Ellis E. Snyder who directs the university's Chapel Choir. Two of the young men will speak briefly on "The Church and the Seminary," and "Why I Am Studying for the Ministry." The service will be open to the public, the pastor, Rev. M. E. Hollensen, announced. This is the third in the series of midweek Lenten vesper services arranged for Wednesday nights at Emanuel Church.

Aid of Business Urged in Fight Against Reds

NEW YORK (AP)—Director Theodore C. Streibert of the U. S. Information Agency today suggested that American businesses pool their public relations resources to make friends abroad.

"Such a combined program, demonstrating the vitality of the free enterprise system," he said, "would be one of the most effective means of combating communism."

Streibert made the suggestion in a speech prepared for the International Advertising Assn. and the Export Managers' Club of New York.

He described in detail the reorganization of the U. S. Information Agency since it was made independent of the State Department last August.

He said the agency, in Voice of America radio broadcasts, in news releases and films abroad, is relying on "objective factual news reporting and commentaries based on facts."

He said the agency for the first time has a "clear-cut mission, given to us by the President."

"The essence of this mission," he said, "is that it is our job to identify ourselves with the legitimate aims of other people—to demonstrate that we have a mutuality of interest, and that we can work together for peace, freedom and progress—to unify the free peoples against communism without war."

Children's Home Gets Big Candy Bar

YOUNGSTERS AT THE MARION COUNTY Children's Home received a special treat yesterday in the form of a 103-pound candy bar. Alfred LaPierre, manager of the Marion Kroger's store, is shown presenting the bar to the children outside the home. Approximately 4,000 people tried to guess the bar's weight when it was in the Kroger store.

16,500 Books Distributed by Telephone Co.

Distribution of 16,500 new telephone directories to subscribers in the Marion exchange was completed this morning by the General Telephone Co. The new directories, corrected up to Jan. 29, have approximately 15,000 listings, company spokesmen reported today.

Included in the directory are listings for the exchanges of Marion, Green Camp, Harpster, LaRue, Morral, Nevada, Prospect, Richwood, and Waldo.

A total of 5,775 changes of name, number, address, removal, or addition, is reflected in the new book. It was printed by a DesPlains, Ill., subsidiary of the General Telephone Co., which compiles and prints books for over 2,500 communities throughout the United Sates.

The Marion office, which is the headquarters of the General Telephone Co. of Ohio, handled 23 different directories this year.

Pellet Breaks Window

A piece of glass was knocked out of a kitchen window by an air rifle pellet at the residence of Mr. and Mrs. Robert Ballinger, 535 Universal Ave. at 6.40 p.m. Monday. The piece struck 17-year-old Shirley Ballinger in the face, but she was not hurt.

Police Chief Thomas Coon warned today shooting of BB guns, which are classed as firearms, is prohibited in the city and that state law prohibits children under 17 from shooting them at any time.

Atom

(Continued From Page 1)

time. It whipped up a thin beam of atomic projectiles to a feeble 20 million volts. Gradually it was accelerated until on March 12 it produced atom bullets of five billion volts in energy.

The previous record was 2.3 billion volts, made by the cosmotron in the AEC laboratory at Brookhaven, N. Y.

When scientists were smashing atoms in the days preceding the atomic energy era the only known nuclear particles were protons, neutrons and electrons. Out of that limited picture of matter eventually came the discovery of uranium fishion and the bomb.

Weather Report

Fair and continued cold tonight. Low 15-25. Wednesday fair, slightly milder.

OHIO FIVE — DAY FORECAST

Temperatures will average 2-5 degrees below normal. Normal high 48 north and 56 south. Normal low 30-34. Warming trend through Friday, then turning colder over the weekend. Rain indicated Saturday will total one-fifth to one-half inch.

Will Ask Resumption of Program

Commerce Department Endorses Aid to Airports

WASHINGTON (AP)—After a long look, the Department of Commerce will ask the Budget Bureau and Congress to resume the federal aid-to-airports program this year.

Undersecretary of Commerce Robert B. Murray said in a prepared speech today the department has accepted such a recommendation by its transportation council.

He did not say what the department's next step would be. But it can be regarded as certain it will soon ask the Budget Bureau to approve an appropriation request for the program's resumption.

Gets Bureau Okay

Murray told a reporter the airport part of his speech for the Washington Chapter of the National Transportation Assn. was approved by the Budget Bureau.

The program — started after World War II—consists of giving states federal matching money to help build airports.

The administration held up all requests for such funds last year, pending the council's study.

On the basis of Murray's past statements, it is understood he wants between 30 and 40 million dollars for the coming fiscal year—a larger figure, with the exception of one year, than has ever been requested before.

Murray's speech for the transportation association said the administration wants the aid-to-airports program put on a different basis than the way it was run under the Democrats.

Outlines Differences

He outlined these differences:

1. A general "tightening up" on standards used in alloting the money. That is, the administration wants to be sure airports built with federal aid are of national importance, both with respect to safety and defense.

2. The department wants Congress to change the law regarding the formula for distributing the money. As it stands, 25 per cent of the money is parcelled out according to need, the remainder on the basis of area and population of states. The administration wants the fund on need raised from 25 to 50 per cent. That way, it feels it can complete work on important projects more quickly.

3. The department does not want any federal money used in building airport terminals. It wants it put into such items as runways and lights.

Murray said there are 1910 requests on file from communities wanting federal money for airports. Ohio, for example, has two —$400,000 for a proposed airport to serve the atomic plant in the Portsmouth area, and $3,388,100 to improve the airport at Columbus.

Morrow Drivers Escape Injury in Collision of Autos

Two Morrow County motorists escaped injury yesterday although one of the cars was demolished in an accident reported today by the Marion post of the state highway patrol.

At noon yesterday cars driven by Dr. Francis W. Kubbs, 33, of Mt. Gilead and Malcolm V. Baker, 19, Cardington, collided at the intersection of Morrow County Road 24 and Township Road 115, one-tenth of a mile east of Route 42.

Baker's car was demolished, while the Kubbs vehicle sustained only moderate damage. Both were taken by wrecker to the Birdsong Garage in Mt. Gilead.

Kubbs was charged with failure to obey a stop sign and fined $15 and costs by Mayor Emery M. Murphy of Mt. Gilead.

Club Members Hear Christian Scientist Talk

Guest speaker at the Marion Lions Club meeting Monday noon at Hotel Harding was Ralph F. Stewart of Toledo, who spoke regarding the Christian Science religion.

A practitioner of Christian Science for more than 35 years, he has been a teacher of the faith for five years Mr. Stewart also is chairman of the publications committee of the state of Ohio.

Mr. Stewart told his audience that the Christian Science religion is relatively new, being only 75 years old. He explained it is of the Protestant religion and is a world - wide movement with uniform services.

He related how the Christian Science religion was founded and told of their beliefs. He also related many experiences he has had. He told the Lions members that at the age of six he had TB, and one year later, with Christian Science prayer, he was cured.

A general discussion period followed with Mr. Stewart answering questions asked by the Lions.

Charlton Myers was program chairman for the day.

Introduced into the club as new Lions were Sam Birnbaum and Judson Kerr. Guests of the club were Frank Noggle of Delaware and James R. Smith of Marion.

'Doubleheader' OWU Concert Slated Thursday

DELAWARE — The Ohio Wesleyan University Artists Series will close its 1953-54 season at 8:15 p.m. Thursday in Gray Chapel with a "doubleheader" in cultural entertainment, featuring the Cincinnati Symphony Orchestra, Thor Johnson conducting, and the outstanding French pianist Monique de la Bruchollerie as soloist.

Mme. de la Bruchollerie made her North American debut with the Boston Symphony under Ernest Ansermet on December 14, 1951, and by popular demand was back in Boston in six weeks for a solo recital. This will be her third consecutive appearance on the Ohio Wesleyan Series.

Two Autos Pilfered

Destructive pilfering of two parked automobiles in Marion was reported today by city police.

Clyde Shearer of 262 N. State St. reported the glove compartment of his car had been pryed open and the back of the front seat slashed with a knife. The car was parked in front of his residence. Nothing was taken, but damage to the car amounted to some $25.

C. E. Deyson of 556 N. Greenwood St. reported the left front window of his car had been broken out and a side view mirror stolen. He estimated damage to his car at $14

Taxes

(Continued From Page 1)

with low income or heading large families would be relieved of all income tax payment. The per capita saving for most families in the middle income brackets or below would come to about $20 It would be more in higher brackets.

Eisenhower urged Congress now to go no farther in tax reduction than the huge GOP-sponsored bill to overhaul most of the nation's existing tax laws. He said this bill, liberalizing many deductions, would benefit millions of individuals and encourage "the growth and expansion of industry, the creation of jobs." It would cost the Treasury nearly $1,400,000,000 a year.

It is to this bill that House Democrats hope to tack the boost in personal exemptions.

Party lines looked tightly drawn

Party lines looked tightly drawn as the test drew near. Republicans have only a four-vote edge over the Democrats in the House.

Indochina

(Continued From Page 1)

In the first 48 hours of fighting, the Vietminh wrested two northern and northeastern strongpoints from the French Union defenders. But the French high command said the center of the Vietminh-encircled plain was still intact and the balance of the outer perimeter also was still holding.

They predicted the defenders would hold out until the rebels had worn themselves out.

The French estimated more than 3,000 Vietminh had been killed since the battle started Saturday night. It appeared likely rebel casualties were mounting close to half a division—a total of 6,000 killed or wounded.

McCarthy

(Continued From Page 1)

senator preside as chairman of the subcommittee in the inquiries, but declared firmly he would fight for the right to sit in the hearings and participate in the questioning of witnesses the same as any other member.

Sen. Mundt (R-SD), the man McCarthy has picked to preside at the inquiry, started a last-ditch effort to induce McCarthy to let some other committee take over. Mundt is a member of the subcommittee, second senior Republican to McCarthy.

"I still think the country would be best satisfied by having a neutral committee handle it," he said.

But failing in that—and he clearly expected to fail—he said he will demand that the subcommittee hire a temporary, small special staff to handle the investigation, thus short-circuiting Cohn and other aides who are under the Army's fire

The Army has accused both Cohn and Francis P Carr, the subcommittees staff chief through whom McCarthy handles personnel matters, of improper tactics.

Charter

(Continued From Page 1)

tor appointed by the city manager. Decision on this, however, was delayed until next week.

A revision was made of action taken last week. It was decided that the previous plan to have the mayor act as chairman of all the city boards and commissions was burdensome and unnecessary. Therefore, the provision was changed to provide that boards elect their own chairman, unless the mayor is specified as chairman by law.

School Levy

(Continued From Page 1)

pared with Warren's $291.72, high, and Zanesville's $90.76, low.

4. Eighteenth in per-pupil valuation, backing each student with $10.667 compared with Loram's high of $28,442.

Dickey also pointed out that Marion, as of 1952, the year on which the survey figures are based, ranked first in school tax rate with 18.10 mills compared with Lancaster's low of 10 9. This high rate was due to the building program, he said, and is going down By this year the school tax rate has dropped to 16 6.

The board's report showed that a three-mill levy would provide an extra $172,500 for salaries and $36,750 for kindergartens. This increase would put Marion's salaries comparable to the median of the 18 other cities.

Indirect measures, used to indicate city strength for supporting schools, show Marion is better off than the direct measures, Dickey said. Marion ranks:

1. Third in postal receipts.
2. Sixth in auto registrations.
3. Ninth in per cent of homes mortgaged
4. Second in owner occupied dwellings.
5. Thirteenth in local tax dollars raised per child.
6. Last in average teacher's salaries during the last 35 years.
7. Second in per cent of homes with radios.

Two Main Problems

At present, Marion has two main school problems, salaries and kindergartens, Dickey said. He said the present high school has room for expansion when the need arises; the junior highs can handle large enrollments for years to come, and the elementary schools appear adequate for the future.

The need for kindergartens is evident in that they have increased 312 per cent in the last 12 years throughout the country, Dickey said. If the levy is passed, each elementary school will have a kindergarten, even though some may be in basement rooms. He said 10 to 14 additional teachers would be needed for kindergartens.

He pointed out that there is a trend toward older age limits on children entering school, and that children are remaining in kindergartens longer.

Last year a child could be six by Dec. 30 and enter the first grade in Marion, but by 1956 the child must be six by Sept. 30. Reasons for the trend toward older students are that a child's eyes aren't ready for reading at younger ages and that many children aren't mature enough at five years of age.

Teacher Demand High

Marion's need to be able to compete for good teachers was pointed out in the figures for teachers graduating from college this year In Ohio, 6,700 teachers will be needed this fall although only 4,000 will graduate. Thus, Marion needs higher salaries to attract competent teachers, Dickey said.

Other matters brought out in discussion were that

1. Perhaps industry outside Marion city limits could help support the schools.

2. Business appears to be on the upgrade, indicating favorable worker backing of the levy.

3. The levy must be on the ballot at least 25 days before the May 4 primary.

4. The present outside mill limitation of 9.2 expires in 1955 and must be renewed at either the November 1954 or November 1955 election.

5. Marion's average millage, 26, is far below the 54.566 average reported for 109 comparable cities in the National Municipal Review.

Enrollments To Increase

Dickey's report also showed that enrollments will be increasing steadily in all grades during the next 10 years. Average enrollments from 1941-1951, compared with predicted enrollments for 1952-1964, look like this:

Grades 1-6, 3,337 actual, 4,262 predicted; grades 7-9, 1,381, 1,745; grades 10-12, 1,036, 1,169. The total average was 5,754 and is predicted to be 7,183.

Wool Bill Tabled

Fight Over Farm Prices Delayed by GOP Leaders

WASHINGTON (AP) — Senate Republican leaders postponed indefinitely today a showdown fight on the choice between supporting farm product prices at the present high levels or switching to the flexible system President Eisenhower advocates.

Majority Leader Knowland (R-Calif) told a reporter that he had put off to an uncertain date the calling up for debate of a wool production bill that was to trigger the fight on the key farm issue in this election year.

Both Sides Willing

Both sides seemed willing to have the showdown postponed. Delay until May appeared likely.

Originally, Knowland had planned to bring up the wool measure, which is a part of President Eisenhower's farm program, either yesterday or today.

But he did not call it up yesterday and, as the Senate recessed, announced quietly that today the lawmakers would return to the Hawaii-Alaska statehood bill.

Sen. Ellender (D-La) senior Democrat on the Agriculture Committee, announced last week he would seek to attach to the wool bill a two-year extension of the present high-level price supports on basic commodities.

Bipartisan Opposition

The President has urged Congress to let a flexible 75 to 90 per cent system of price props take effect next year. A bipartisan bloc of farm state senators is opposing his plan.

Ellender and Chairman Aiken (R-Vt) of the Agriculture Committee said in separate interviews they thought it would be better to proceed with committee consideration of the over-all Eisenhower farm bill before taking up the wool measure.

Aiken, who supports the flexible system, said he thought the hearings of his committee on the general bill would continue until mid-April, and then it would take at least two weeks of closed-door sessions for the group to whip its ideas into shape

Aiken said he did not know if the wool bill would be held up that long.

Extortion

(Continued From Page 1)

first two times he apparently had been frightened off

Last Thursday night Factor, head of the cosmetics firm founded by his father, his wife Mildred and their son Donald, 19, left their Beverly Hills mansion after a man telephoned that a time bomb was hidden in a wall. Another son, Mark, 15, is in private school.

The FBI quoted Ringholz, who came here last November from Cleveland, Ohio, as saying he selected Factor after reading about him in "Who's Who." Ringholz was swiftly arraigned before U. S. Commissioner Howard Calverley and held under $10,000 bond on a charge of using the mails in an extortion attempt. His preliminary hearing will be April 8.

Gets Instructions

Factor said he received the first extortion letter last Tuesday. He was told to place an ad in a newspaper, bundle up $30,000 in small bills and await further instructions. He notified the FBI immediately.

Last Thursday, following publication of the ad, Factor was told over the telephone to drive to a vacant lot in nearby Reseda in a small red British sports car and leave the money behind a small white fence.

An FBI agent, disguised as Factor, carried out the instructions with a dummy bundle of money.

After the delivery was made, Factor got another telephone call shortly after midnight Friday telling him a time bomb had been planted in his home and was set to go off at 1 30 a.m. He was told that if the would-be extortionist received the money, he would get a phone call disclosing the bomb's location along with instructions on how to disarm it. A search failed to undercover any bomb.

Social Security Forms Asked in Bill by Betts

Rep. Jackson Betts of Findlay, congressman from the Eighth Ohio district which includes Marion County, has introduced a bill which would give millions of Americans a fancy certificate explaining their social security rights, according to an Associated Press dispatch today.

The certificates would carry the individual's name and social security number as well as general information about benefits.

Ohio Farmers State Views on Price Supports

WASHINGTON (AP)—Fifty spokesmen for the Ohio Farm Bureau today started explaining to Ohio lawmakers the kind of farm program they want enacted.

Led by their president, Everett F. Rittenour, the men and women here are from every congressional district in the state except two in Cleveland.

C. Maurice Wieting, state vice president, gave this outline of their position:

"We like many suggestions made by Secretary of Agriculture Benson. But we think some of the changes should be made more gradually."

This feeling, he said, applies to the flexible price supports Benson advocates He said there has been a sharp drop in new income for many Ohio farmers.

With regard to butter, Wieting told a reporter the reduction should have been five instead of the 15 per cent Benson has ordered into effect April 1.

During their two-day stay the Ohio farmers plan to see their congressmen and both Sens. Bricker (R) and Burke (D). They also have scheduled talks with Undersecretary of Agriculture True Morse and Asst. Secretary John H. Davis.

This morning they breakfast with National Farm Bureau officials, then go to a meeting of the House Agriculture Committee to hear testimony from Alan Kline, National Farm Bureau president.

The Ohioans had a noon date with Harold Stassen, foreign operations administrator.

As Ohio farmers see it, the spokesman said, the chief problem is to increase the consumption of food. He said the state group feels that suitable arrangements could be made with foreign governments to exchange farm surpluses for selected goods needed by the United States.

Two From Area Attend

Attending the meeting in Washinton are H. D. Heckathorn of Forest and Harold Patrick of near Marion. They are among Farm Bureau federation members from 23 Ohio congressional districts in attendance.

THIS IS PROMOTION?

BRIDGEPORT, Conn. (UP) — After being promoted to police sergeant, a former plain clothesman, Norman Beardsworth, learned that not only does he now have to buy uniforms but also that he now makes 45 cents less a w

Council Talks Over Repairs At Cardington

CARDINGTON — Resurfacing of State Route 42 in the village and maintenance of the garbage disposal plant were the main topics of discussion when Cardington's village Council met Monday night in regular session.

C. M. Poorman of the street committee reported that several loose gravel streets in the village are in bad condition and need extensive repair. Council discussed the resurfacing of Main and Gilead Streets or State Route 42. William Van Horn was authorized to meet with Clyde Porterfield, supervisor of the Bureau of Maintenance of the State Highway Department at Delaware to discuss the resurfacing project.

Discussion on a WPA sewer centered around reports from residents on N. Fourt St. who complained of an odor from the sewer, and Council instructed the street supervisor to go ahead with a 50-foot extension of the sewer.

Council set a special session for this Thursday here with the present and former mayors of the village of Prospect to discuss their garbage disposal system. Most of the Monday night discussion about the village dump concerned the fact that the plant is maintained on Wednesday and Saturday only. Council members, Ethelbert Taylor and M. M. Maxwell had met with the Prospect mayor recently to talk over their refuse disposal method.

The report from the fire department revealed that three calls had been answered since the last Council meeting.

Marion Area Dentists Hear OSU Professor

Dr. William Lefkowitz, department head of operative dentistry at Ohio State University, was was guest speaker at the monthly dinner meeting of the Marion Dental Study Club last night in Hotel Harding.

He discussed and showed slides on cavity preparations and filling materials.

Dentists were present from Marion, Richwood, Prospect, Bucyrus, Cardington and Upper Sandusky Next meeting of the group will be April 19.

Courthouse Post Created, New Car Bought for Sheriff

Marion County commissioners Monday created a new Courthouse post, authorized purchase of a new cruiser for the sheriff's office, and set a hearing date for a ditch.

The post of chief custodian of the Courthouse was created and a former custodian, Carl W. Zink of near Prospect, was hired to fill the post effective April 1. He will have full charge and custodial care of the Courthouse and will be responsible for his staff of three.

Zink was custodian from 1942 to 1948.

Commissioners authorized purchase of a new cruiser, at a net cost of $1,200 for the sheriff's office on a low bid from the Short Ford agency. Cost of the cruiser was $2,002 with a trade-in allowance of $802 on a 1950 Oldsmobile.

Only other bidder was the Rankin Oldsmobile agency which offered an allowance of $550 on the 1950 car, with a 1954 cruiser costing $2,230.

Commissioners set April 6 for a hearing on assessments for the Big Mud Run Ditch, a joint county ditch located in Marion and Crawford Counties. The hearing date was set after conferring with Crawford County commissioners who came to Marion Monday.

Estimated cost of the improvement, petitioned for by M. L. Hord on April 26, 1952, is $20,298 Number of landowners affected by the improvement is 118.

Dance at Claridon Nets $521 for Keever Center

A total of $521 was cleared Saturday night at a polio benefit square dance at Claridon School sponsored by the Claridon Homemakers' Club.

All the food sold at the dance was donated by the 17 members of the club and Hugh Johnston, square dance caller, donated his time for the polio benefit.

Mrs. Glen Dunkin, president of the club, reported the check will be turned over to Dr Kenneth W. Keever for use of the Magnetic Springs Polio Center when he speaks at the club's mother-daughter banquet May 7. A special guest at the dance was Mrs. William Veness, a former member of the club who is recovering from polio.

Tourist's View

By George Sokolsky

SOKOLSKY

It came to me, when I had to go to Florida for a speech, that I might see the world as a tourist does, riding a car, stopping to see the sights, eating wherever I could, wearing an exciting open-collared green shirt with black squares.

City folks rarely realize how many thousands of men and women have the time and the money to wander about the country seeing things. It must be the restult of vacations with pay or the pensions that come at the early age of 55. At any rate, they all seem to have jingle money, not too much but enough to pull away from home and just wander.

Being a tourist is great fun because the world is full of novelties, if only one forgets how old he is. For instance, I had never been in a glass-bottomed boat, viewing the floor of a lake of crystal clear water. At Silver Springs, I saw great schools of catfish playing in the vegetation which was so different from anything I had seen before.

Then I went to Ross Allen's Reptile Institute to see a snake get milked. I think it was a diamond-back rattlesnake and an angry devil he was.

-:-

TOO MANY of us think that we know everything because we know the little world in which we work. I, for instance, have an acquaintance with many so-called great men and if, at times, I sound pessimistic or even cynical, it is because the great prove to be so small.

Ross Allen knows snakes and alligators and such creatures and he can milk a snake, which no United States senator or general in the Army can do. It is an exciting experience because while the snake wants to kill Allen, all Allen wants is the venom, which he sells for a profit to drug houses.

So, in due course, I wandered down to Cypress Gardens, which has been developed by an ex-press agent and real estate operator, Richard Downing Pope, into one of the most beautiful gardens on earth.

Thousands come to see the aquatic sports there, but they held no lure for me. The flowers and trees and climbing vines, the beautiful vistas, the great ferns and the background of cypreses — these held me for hours and I envied the man who could spend his life among them. This park must never be lost, even if jingle money grows scarce.

-:-

WE WANDERED on to the Bok Tower, a gem of architecture, so reminiscent, not in design, but in concept, of the Taj Mahal. I do not know what impelled the truly great publisher and editor, Edward Bok, to erect this tower and lay out the grounds. The tower with its fine carillon, consisting of 71 bells, provides a delightful interlude in a troubled world.

All the time I was there, I could not help wonder why the Bok Memorial is called the "Mountain Tower." What about Bok? Is he forgotten? It makes one humble to stand before beauty; it makes one more humble to realize how quickly the author of beauty is forgotten.

On a cold evening, after a rain, about 3,500 of us tourists went to see the Passion Play staged by Josef Meier. We sat in a vast amphitheater where the stage and buildings are permanent structures. Josef Meier plays the role of Christ.

It is a magnificent performance, beautifully staged.

-:-

YET SOMETHING in the text bothered me. Pontius Pilate was almost a hero. Judas Iscariot is more repentent than the Gospels say that he was. Caiaphas, the high priest, is the villain of the play. The text is definitely medieval and therefore startling in these times when we have a more historical view of the life, tribulations and death of Jesus than the medieval narrowness permitted. I spoke to Josef Meier about this and he told me that a 13th century text was used. The Passion Play leaves an impression which cannot ever be forgotten.

So, I continued to tour on the back roads of Florida, from the north of the State to Miami Beach where everything is made to glitter by electric lights and neon signs.

The contrast is startling and the tourist returns to his home assured that in the United States, in an automobile, one can see everything.

(Kmg Features Syndicate)

Union Squeeze

By Victor Riesel

RIESEL

Down in Miami Beach last month, the AFL's high command was seated around its council table discussing possible investment of half a million dollars or more in a Los Angeles publishing venture. The officials were being prodded by the AFL Teamsters chief, Dave Beck, to back a certain Los Angeles publisher. Beck, to show his interest in the deal, announced he was ready to throw in a quarter of a million dollars.

At that moment there came from the other side of the table the familiar booming voice of old, white-haired Dan Tobin, president emeritus of the Teamsters:

"Dave," he needled, "do you mean you'll get up a quarter of a million from your personal funds or the union's?"

Beck never batted one of his bright blue eyes.

"I could do either," he retorted.

He could, too! For Beck is as successful a businessman as he is a labor leader. Because he is both millionaire — or half millionaire — and labor leader too, I have a story here which should interest him regardless of which chair he's swiveling in at the moment.

-:-

THERE IS a picket line in Harrisburg, Pa., which is rapidly becoming as famous as the "sick chicken" of the late NRA.

It was in this Pennsylvania capital five years ago that the AFL teamsters threw a picket line around a little trucking company —and so launched a marathon.

The Supreme Court last December finally ruled that the states have virtually no rights in handling picket lines of companies whose interstate commerce puts them into federal jurisdiction. This was known as the Garner case. It was a union victory.

Ever since that decision, a bloc of Republican congressmen has been putting terrific pressure on President Eisenhower. They have been demanding that the states specifically be given the right to regulate picketing — peaceful or otherwise.

Because the President's advisers desperately want some labor legislation passed this campaign year, the White House has agreed to give the states considerably more power over unions and picketing.

-:-

THE PRESIDENT has also agreed to get real tough on the question of secondary boycotts—that's when not only a factory on strike but the retail stores selling its products are picketed with the aim of cutting sales.

So much for the Washington end of the story which should interest Dave Beck as a labor leader. Now, for Dave's business side, there is the story here of the little firm which was caught up in this case.

Ninth and Market Streets in Harrisburg is quite a way from 1600 Pennsylvania Ave., but it's on such streets as these that the money is made to pay the White House bills. So it's worth getting out to them.

At Ninth and Market there is the freight terminal in front of which the local teamsters union threw a picket line five years ago.

It is the headquarters of the Central Storage and Transfer Co. owned by Joseph Garner, an ex-World War I GI who pushed many a heavy ammo truck up to the front in France.

The firm was minding its own business when the local Teamsters Union decided that the time had come to test the right of the Commonwealth of Pennsylvania to control picket lines in front of interstate businesses.

The company had been operating for 25 years. It had 33 employes of whom four had previously joined the union. All were getting wages as high as those set by the union —also fringe benefits, hospitalization and vacations to match union standards. Furthermore, there was no dispute with the union.

-:-

THE TEAMSTERS merely wanted to launch a test case. The union officers, to protect themselves from a damage suit, even sent letters to other unions within a 100 mile circle telling them that the action was not to be considered "a picket line." However, a picket with a sign saying "We Want Employes of Central Storage to Join the Union," did walk in front of the freight terminal.

The picket line did cut off freight deliveries. The union did not picket the company office at 11th and State Streets where the pickets would have done no real economic harm.

Garner's Central Storage Company lost $500 a day in the first stages of picketing when other teamsters refused to cross the line.

Then important customers dropped away. Legal counsel was hired. In all, the small company has lost over $50,000. Not much money to anybody but the man who can't afford to lose it.

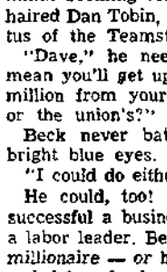
Point now is, what would Dave Beck, the businessman, have thought of the labor movement if he had been squeezed in this vise by a local teamsters union?

Had he been caught up in it, he'd have known why labor's public relations are what they are!

(Post-Hall Syndicate, Inc.)

Cruise Hazards

By Hal Boyle



HAL BOYLE

ABOARD THE MAURETANIA (AP)—A pleasure cruise is a pleasure.

But on a voyage to the ports of the sun in the West Indies you also run the risk of catching an insidious tropical malady.

The wary tourist will watch out particularly for one of the following disabling ailments:

1. Lobster flush. This results from lying too long on the deck under a hot sun in the vain hope that you can return home with a burnt almond tan. (Who really wants to look like a nut?)

2. Postcard paralysis. Why get writer's cramp writing scores of postcards back to friends saying, "Boy, this is the life," or, "Wish you were here"? Is it wise to stir up their envy? You may not want to borrow money from them when you return, but, on the other hand, you may have to.

3. "Buy-buy fever." No tourist escapes this financially crippling disease, not even if he goes ashore with empty pockets, leaving his travelers' checks on the ship. A native will sell him souvenirs on the installment plan.

—:—

THE LONG RESTFUL periods at sea—marked by sun bathing and food binges by day, dancing and bingo at night—take the tension out of a husband. But they don't take the shopping spirit out of a wife. What can?

Long before the gangway is lowered as we anchor off a port—the Virgin Isles, Curacao, Jamaica, Nassau—the ladies gather by the rail, noses lifted as it scenting the bargains ashore.

Pell mell they rush aboard the first boat headed for the beach, and the more timorous natives head for the hills.

It is like Christmas all over again. Mama storms from store to store, pawing through French perfumes, Scandinavian silver and crystal, lace from Belgium, linen from Ireland, camphor chests from China, ivory from India, Royal Doulton figurines from England.

Papa first stares at this feminine treasure hunt with masculine indignation. Then the virus hit him. He drops into a liquor store for a free sample and a chance to rest his feet, and comes out carrying five bottles of duty-free booze. Then he wanders on and buys a couple of Swiss watches and a German camera, and a 12-gallon native straw hat to shield him from the sun.

—:—

WHEN HE MEETS up with mama, their arms are loaded, and they have to buy huge straw bags from the natives to haul their loot back to the ship.

There is no point in telling mama that the West Indies are full of cultural interest and all that stuff, and that after all she ought to go for a look at the pirate's cove where blackbeard once lurked.

"They have any perfume bargains there?" she demands, the "buy-buy fever" bright in her eyes. So long Blackbeard. She isn't interested in ruins, scenic views, or old forts—not while there is an alligator bag or demi-tasse spoon left unbought.

Frances and I went ashore at Willemstad in Curacao, the quaint and picturesque center of the Dutch West Indies, with two friends we had made during the cruise, Eileen and Tom Smith of Tulsa, Okla.

"One of the most beautiful places we've ever seen," our wives agreed. Tom and I then pointed out that in three hours the group of us had never moved more than 100 feet from the center of town, and our dearest memories of storied old Curacao would be based on the inside of three silver stores and two perfume shops.

"But we found what we wanted," said Eileen. Tom and I had to admit that, after all, culture had not profounder reward than that.

"When we get to Panama, I'm going to buy a key to the canal locks," I told Frances, "this is time of the year you can buy them most cheaply."

"Better get two, Rover," she replied, unperturbed. "We may want to give one to a friend for a souvenir."

The only way to cure a wife with the "buy-buy fever" on a cruise is to hand her your pocketbook and let the disease take its course.

What if you do come back flat broke? the cab driver will probably trade you a ride to your home in return for all your trinkets.

Two Groups Back Mayor's Plan for Use of Old Hospital

Endorsement of plans to convert the present Marion City Hospital into a city hall has been received from two Marion organizations, Mayor Harold F. Robinson reported today.

One endorsement received Monday was from the Marion Central Labor Union. This organization, representing 33 AFL unions in the city, wrote that a vote had been taken among members - which placed them on record as being in favor of conversion of the old City Hospital into a new city hall.

The other endorsement came from the Marion lodeg of the Loyal Order of Moose which was also in the form of a letter stating the organization is behind his plans for use of the hospital as a city hall, Mayor Robinson said.

The proposal to convert the hospital building came from Mayor Robinson last fall but was later dropped when it was thought the cost of conversion would be prohibitive.

The plan was recently revived by Mayor Robinson after he received letters from state agencies indicating the conversion could be accomplished with no major remodeling of the interior of the building.

Since then, he has gone ahead with his plans and possibility of the conversion is presently under study by the mayor and the city engineer's office, which is charged with drawing the preliminary plans.

LaRue Homemakers Unit Planning County Display

Basket weaving and making plastic purses were the two projects carried on by the members of the LaRue Homemakers Club recently at the Bowling Green Grange Hall. Hostesses were Mrs. Emery Clement, Mrs. Lowell McWade and Mrs. William Trihaft. A covered dish dinner was served at noon.

Plans were made to display items of the projects carried during the year at the County Achievement Day to be held in Marion on March 18. Mrs. Arthur Waters and Mrs. Bernard Littell were named in charge of the display. Members were also asked to bring a parcel post package which may be sold on that day for 25 cents.

EX-DETECTIVE SENTENCED

CANTON, Ohio (AP) — A former detective, 40-year-old Jack A. Alspaugh, was sentenced yesterday to one to 20 years in prison in the fatal shooting of his estranged wife, Elizabeth. Alspaugh was convicted last February of first degree manslaughter.

Again...just for Lent!
Borden's Cottage Cheese
in colorful new
"Easter Basket"
containers

Count on
Borden's Cottage Cheese
for Your Lenten meals!

Rich in proteins and minerals, good Cottage Cheese is a wonderful Lenten food! It takes the place of meat perfectly in the diet. And it can be served in so many appetizing ways—in quickly prepared salads, for instance . . . or in tasty satisfying sandwiches. If you're not acquainted with the superior freshness and flavor of Borden's Cottage Cheese, now's the time to give it a try. And the children will love making Easter Baskets from the cartons.

Use the cartons to make clever Easter Baskets

Cut strips of cardboard ½ inch wide and 12 inches long. Decorate these by painting, or covering with colored Scotch Tape. Attach by stapling or stitching with strong thread. Or cut narrow strips of paper, color, and braid into 12-inch handles. Another idea, you can use long pipe cleaners, white or colored. Punch holes in the sides of the carton where indicated, and attach cleaners by bending the ends. Fill with decorated hard-boiled eggs or with colored candy eggs!

These cartons come in four color combinations. Be sure you get a complete set!

Have Borden's Cottage Cheese delivered to your home regularly . . . or ask for it by name at your favorite store

Deaths and Funerals

John W. Lingrel

John Wellington Lingrel, 59, died at 4 p.m. Monday in his home at 685 Davids St. Though he had been in failing health eight years, his death was unexpected. Cause of death was pronounced heart attack.

Born May 11, 1894, in Champaign County, he was a son of Melvin Lingrel and Rose Temple Lingrel. In 1912, in Marion, he married Florence A. Ferrin. Until eight years ago, he worked at the Universal Cooler Corp. He was a member of Buckeye Aerie 337, FO Eagles.

Surviving are his widow; his daughter, Mrs. Donald Metcalf of the Davids St. address; a grandson, and two sisters, Mrs. J. M. Grace of Bucyrus, and Mrs. Orville Hocker of Dayton. Five brothers and two sisters preceded him in death.

Funeral services will be conducted Thursday at 1:30 p.m. in the Boyd Funeral Home on W. Columbia St. Rev. J. B. Holloway will officiate. Friends may call at the funeral home after 7:30 tonight.

Robert M. Gale Jr.

GALION — Funeral services were held Monday at the Snyder Funeral Home for Robert M. Gale Jr., son of Robert M. and Norma Brown Gale of Galion. The baby died at 4:30 a.m., in Galion City Hospital, where he was born Sunday.

Surviving besides the parents, are: grandparents, Mr. and Mrs. Charles Brown of Leesville, Mrs. Harold Beeler of Bellville, and Forrest Gale of Mansfield.

Mrs. G. W. Christman

GALION —Mrs. Bertha Edith Christman, 77, widow of George W. Christman, died Monday at 2:05 p.m., in Galion City Hospital. She was admitted to the hospital Jan. 5 and had been ill for the past year.

A native of Crawford County, Mrs. Christman was born northwest of Bucyrus, Dec. 3, 1876, the daughter of John G. and Amelia Roll Yeager. She was married April 20, 1898, to George W. Christman who died April 13, 1941.

Surviving are two granddaughters, Joyce and Betty Christman of Galion; a sister, Mrs. Amelia Mimick, West Salem; and a brother, Almer A. Yeager, of Galion. She was preceded in death by one son, Donald, four sisters and two brothers.

For 60 years Mrs. Christman had made her home in Galion. She was a member of First Lutheran Church.

Funeral services will be held Thursday at 3 p.m., in the Snyder Funeral Home, with Rev. Herbert S. Garnes Jr., pastor of First Lutheran Church, officiating. Interment will be in the mausoleum, Fairview Cemetery. Friends may call after 7 o'clock tonight at the funeral home.

Arthur Davis

RICHWOOD — Arthur Davis, 72, died at 4 a.m. today in his home at Byhalia.

Born Nov. 24, 1878, in Byhalia, he was a son of George and Jeannette Yarrington Davis. At Kenton in 1920, he married Genevieve Hendrickson. He was a member of the Byhalia Methodist Church.

Surviving are his widow; three sons, Earl of 420 Evans Rd. in Marion, George of Mt. Victory, and Glenn of Marysville; a brother, Glenn Davis of Mt. Victory; and a sister, Mrs. Ethel Fields of Byhalia.

Funeral services will be conducted Thursday at 2 p.m. in the Byhalia Church. Rev. Charles Cramer will officiate. Burial will be in Byhalia Cemetery. Friends may call at the Winter Funeral Chapel in Richwood until 1 p.m. Thursday.

Peter Nelson Bowser

BUCYRUS—Peter Nelson Bowser, 78, of Bucyrus died at 4:10 p.m. yesterday in Bucyrus City Hospital. He had been ill 10 years.

Born April 29, 1875, in Raisinville, Mich., he was a son of Samuel and Sarah Jane Grove Bowser. June 3, 1903, he married Helen Bessinger. In June, 1941, he retired after 30 years as a machinist for the New York Central Railroad. He was a member of Good Hope Lutheran Church and of the Brotherhood.

Surviving are his widow, a brother, William Bowser of Wauseon, and a sister, Mrs. William Dern of Oklahoma City, Okla. Two brothers and a sister preceded him in death.

Funeral services will be conducted Thursday at 2 p.m. in the Lutz Funeral Home. Rev. E. J. Katterheinrich will officiate. Burial will be in Oakwood Cemetery. Friends may call at the funeral home from 7 p.m. until 9 tomorrow.

Mrs. Eva Ownby

MT. GILEAD — Mrs. Eva Ownby, 70, of Mt. Gilead died at 5:30 p.m. yesterday at home. She was ill several weeks. At one time a school teacher, she was formerly a Girl Scout leader. For the last 24 years she was associated with the Union Store.

Born May 10, 1883, in Morrow County, she was a daughter of Willard W. and Viola Smith Holland. She was a member of Trinity Methodist Church, of Eastern Star, of King's Daughters, and of Marion Shrine 15, White Shrine of Jerusalem.

Surviving are two brothers, Herman Holland of Mt. Gilead and Paul of Los Angeles, Calif.; and a sister, Mrs. Beatrice Kinzig of Columbus.

Funeral services will be conducted Thursday at 1:30 p.m. in the Craven Funeral Home. Rev. David Skeen will officiate. Burial will be in South Bloomfield Cemetery near Sparta.

-Funeral Services-

Mrs. Bertha E. Krisher—Wednesday 2 p.m., Merle H. Hughes Mortuary. Rev. L. H. Harris. Friends may call at the funeral home.

Mrs. Louise L. Cobb — Wednesday 2 p.m., Ballinger Funeral Home, Richwood, Rev. O. W. Robbins. Friends may call at the funeral home.

Money-saving ideas submitted by civilian employes of the Army's Transportation Corps saved the government more than $270,000 during fiscal 1953.

Relative of Sycamore Man Dies in New York

UPPER SANDUSKY — Friends here have received word of the death of Arthur Kappauf, of Niagara Falls, N.Y., late Sunday in a Niagara Falls hospital. He had been in failing health for several months and was hospitalized a week.

Survivors include: his wife, the former Elma Gottfried, daughter of the late Mr. and Mrs. C. E. Gottfried, of Upper Sandusky; and a brother, George Kappauf of Sycamore.

Funeral services were set for 11 a.m. Wednesday, in Niagara Falls.

Robert B. Livensparger, Former Marionite, Dies

Robert Bruce Livensparger, 36, of Baltimore, Md., formerly of Marion, died last night in Johns Hopkins Hospital in Baltimore. He had been ill since March 8. About 10 years ago he left Marion, and worked for Westinghouse Corp. in Baltimore. A former Marion Star emloye, he was a newspaperboy, and a mailing room clerk, and later drove The Star truck.

Surviving are his widow, and a son and a daughter, his mother, Mrs. C. E. Livensparger of 461 Summit St. in Marion, and two brothers, John C of 906 Oak Grove Ave., and Carl of Columbus.

Plans are being made to return the body to Marion for burial.

Joins 'Most Wanted'

WASHINGTON (AP)—James William Lofton, an Alabama swampdweller with a record of five prison breaks, today was added to the FBI's list of "10 most wanted men."

Lofton, 43, has an arrest record dating back 20 years.

The Great Lakes fleet of commercial vessels totals 662 ships.

Former Ashley Church Minister, 76, Succumbs

ASHLEY — Funeral services for Merrit J. Nash, 76, former Ashley resident and ordained Methodist minister who died Sunday evening at his home in Delaware, will be held Thursday at 2 p.m. in the Ashley Methodist Church with Rev. H. L. Borden, pastor, officiating. Burial will be made in Ashley Union Cemetey.

Nash, a native of Cincinnati, had been ill for the past six years. He had resided in Ashley for 10 years prior to moving to Delaware in the past year.

An ordained Methodist minister, he served churches in Northern Ohio of 12 years and following that was principal of schools in Florida for 21 years. He was a graduate of Ohio Wesleyan University and a veteran of World War I when he was a major in training camps in the southern part of the United States.

He was a member of the Jacksonville, Fla., Methodist Church, Ashley Masonic Lodge and was a 50-year Mason.

Nash is survived by his widow, Mrs. Anna M. Nash; two daughters, Mrs. Viola Knight of Green Cove Springs, Fla., and Mrs. Ruth Matthews of Jacksonville; one son, Malcolm, of Jacksonville; and a sister, Mrs. Elsie Fiscus of Tampa, Fla.

Friends may call at the Ramsey-Bennett-Brown Funeral Home in Delaware.

CAT FOUND STABBED

A cat owned by Mrs. Pauline Wilson of 641 Silver St. was found dead and hanging from a rope tied to a tree yesterday. Police said it had been stabbed repeatedly in the head and neck.

A case in the West brings out the surprising news that our G. I. insurance is no good if we are hanged or electrocuted, a fact they certainly never mentioned when they sold us the policy.

Township Officials To Meet Saturday At Claridon School

First quarterly meeting of the Marion County Township Trustees and Clerks Association will be held Saturday evening at the Claridon School. Hosts for the meeting will be officials of Marion, Pleasant, Waldo, Prospect and Green Camp Townships.

Speaker of the evening will be William Hutchman, vice-president of the Lockwood Lumber Co. A native of Pennsylvania, Hutchman has had wide experience in youth activities as a school teacher in the mining and steel mill areas, and in organizational fields. His topic will be "The Grass Is Always Greener."

Entertainment during the social hour will be furnished by Roger Bond of Marion who will present a magic and mental telepathy show. The program will be preceded by supper served at 7 p.m. by the Salem EUB Church.

Joseph A. Vogel of Scott Township, association president, will preside.

The tourist season in Germany in 1953 proved the best in her history and included 4,000,000 visitors from outside Germany, an increase of 27.8 per cent.

Why value-wise buyers are swinging to Ford!

They are finding that Ford brings them everything they might want to meet modern tastes and requirements

You can't buy better! It's the stunning Customline Fordor Sedan.

Ford's the only low-priced car with all these "Worth More" features

Recognized leadership in styling
You can pay more but you'll never find a car that's more "at home" *wherever* you may drive it. For the smart new '54 Ford is as modern as tomorrow with the crisp, commanding lines of today's style leader. And it's just as smart inside! The sparkling new decorator-designed interiors have colorful new upholstery fabrics and harmonizing trim that spell quality wherever you look.

Choice of most modern engines
Ford and Ford alone, in the low-price field, offers you a choice of V-8 or Six . . . the brilliant new 130-h.p. Y-block V-8 or the flashing new 115-h.p. I-block Six. *Both* Ford engines have rigid, extra-deep blocks for smoothest, quietest operation and extra-long life . . . *plus* the savings and "GO" of modern, high-compression, short-stroke, low-friction design.

Ball-Joint Front Suspension
For the first time in any low-priced car, you get the smoother riding and easier handling of Ball-Joint Front Suspension — an advance you'd expect to find only in the costliest cars.

Choice of 5 power assists . . . including Fordomatic
Only Ford in the low-price field offers power on *all four* windows . . . a *4-way* power seat which adjusts *up and down* as well as forward and back. Power steering, power brakes and versatile Fordomatic Drive are also available—and they make your fine Ford even more fun to drive.

Choice of 26 new models
With fourteen stunning body styles available with either of Ford's new engines, Ford offers a car to suit every taste and need. In fact, for '54, Ford offers the widest selection of models in the entire industry!

Top value at resale
Used car prices show that in recent years Ford has consistently returned a higher proportion of its original cost at resale than *any other car*. And for 1954, with all its advanced new features, Ford is worth even more when you *buy* it . . . and it stands to reason it should be worth more when you *sell* it, too.

We cordially invite you to Test Drive the 1954
Ford

GREAT TV, FORD THEATRE, WLW-C CHANNEL 4, 9:30 P.M., THURSDAY

This work-saving team can work wonders for you!

Fleecy White
A liquid bleach and disinfectant so pleasant to use—no offensive odor!

• Whitens and sanitizes baby wash, also deodorizes . . . removes stains
• Bleaches cottons and linens . . . gently and surely
• Disinfects bathroom fixtures and kitchen sink
• Removes scorch, mildew and many other stubborn stains
• Destroys germs, safeguards family health
• Works 4 ways: disinfects, bleaches, deodorizes, removes stains

Little Bo-Peep
The really different ammonia cleaning compound that lightens dozens of tasks!

• Makes finest cleaner for painted walls and woodwork, follow directions on bottle
• Gets clothes cleaner, faster . . . in automatic and regular type washing machines
• Cleans upholstery and rugs safely, restores brightness
• Washes windows and mirrors . . . so clean and so easily
• Removes stubborn grease from stoves, pots and pans
• Cuts grease and loosens dirt . . . in washing and cleaning

LITTLE BO-PEEP and FLEECY WHITE
—two helps you can't afford to be without!

Liberal Trade Policy Assured To Canadians

WASHINGTON (AP) — Four top Cabinet officers were reported ready to assure Canada today the Eisenhower administration intends to pursue a "liberal" tariff and trade policy.

The American delegation, headed by Secretary of State Dulles, arranged to meet behind closed doors with a high-ranking Canadian government group led by Foreign Minister Lester B. Pearson.

Pearson in a speech yesterday before the National Press Club said Canada and other North Atlantic Pact allies would insist on being consulted before the American government adopted any decision for "instant retaliation" against any foe which broke the uneasy cold war peace.

But, since today's conference was set up as strictly a financial and trade review, it appeared unlikely that Pearson would seek any assurances from Dulles at this session about America's new defense policy.

Dulles, backed up by Treasury Secretary Humphrey, Commerce Secretary Weeks and Agriculture Secretary Benson, was reported ready to give these pledges to the Canadians:

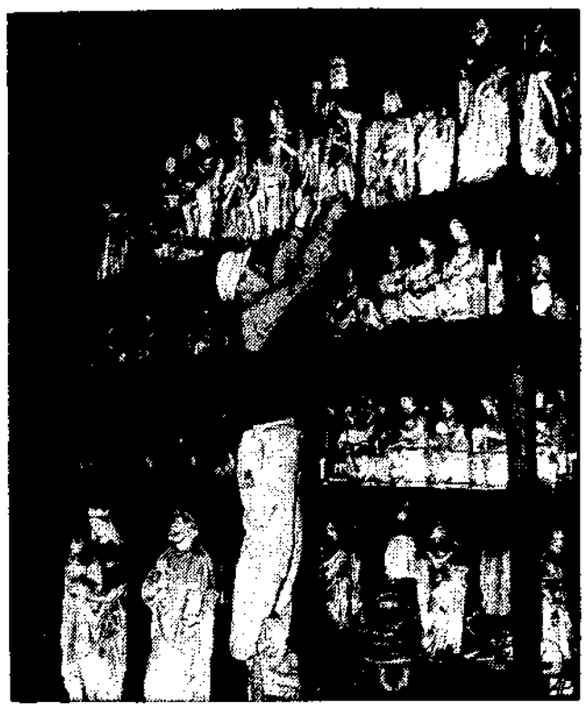
1. The Eisenhower administration will turn its back on any demands the Republican administration embrace high tariff policies.

2. The President soon will ask Congress for specific authority to extend the reciprocal trade policy, conceived under former President Franklin D. Roosevelt's administration, to permit further American negotiations with friendly governments for reduced tariff duties.

3. Despite a mounting store of surplus agricultural products, the United States does not intend to "dump" this hoard on world markets but will dispose of it to help free nations, after prior consultation with its allies.

TEXAS SLEDDING

FORT WORTH, Tex. (UP) — There seems little enough reason for a resident of this city to have a sled. There seems even less reason for anyone to steal a sled here. Yet Robert Letson reported to police that a sled was stolen from his front porch.



STATUARY FILE. A workman reaches for a "reference copy," one of 800 small-scale copies in Cologne, Germany, Cathedral attic, to check on Cathedral statuary restoration work.

Pleasant Student Wins First Prize In Essay Contest

Winners were announced today for the essay contest held in connection with the Feb. 25 county commercial seniors Business-Industry-Education day.

Marilyn Mack of Pleasant School won first prize of $15. Second prize of $10 went to Marilee Johnston of Claridon, and the $5 third prize went to Meeker School's Rosella Yost.

These three girls were among seven finalists whose essays were judged by Jack Hughes and Robert T. Mason for neatness, clarity, originality and scope of impressions. The contest had originally been set up by the Chamber of Commerce to permit participating students to offer suggestions on ways to improve future BIE days.

The entrants filed their essays with their school principals who in turn picked the best ones for submission to the contest judges.

Contest rules specified that the essays be of no more than 1,000 words.

The winning paper was a relatively short one. Marilyn likened business office procedures that she observed to a factory assembly line. "Everyone must have his own certain part ready to add to what another has already done. His work must be of a high standard; it cannot be a 'half-way' job."

Other contest finalists were Donna and Lavonna Piatt of Pleasant School and Bud Price and June Haley of Claridon.

NUMBERS GAME

PORTLAND, Me. (UP)—Maureen Lynch, 5, couldn't remember where she lived when she became lost from her older sisters on the way home from the movies. Dave Glovsky, who found her wandering, asked in an off-hand manner, "what did you say your telephone number was?" Maureen replied cheerily, "4-0934." Glovsky called the number. Case closed.

Story of Galion Man's Success Published in Trade Magazine

GALION — Recognition has been given a Galion printer in a recent edition of Printer Monthly, trade magazine.

Milo G. Fisher who operates the Fisher Printing Co. in Galion is biographically sketched in the magazine under a feature entitled, "Personality Sketches."

The article states that Fisher was offered a job stamping names on newspapers in the Republican Daily in Wooster in 1918. That was his first contact with printing. He worked at this job after school and during summer vacations and soon became interested in learning more about the trade. It was not long until he had the opportunity to learn press work, type-setting and the Linotype.

Leaves Wooster

When Fisher left Wooster, he went to Canton, where he was employed as a compositor at the Klingstedt Lithographing Co. Later he became composing room foreman at the Collier Printing Co. back in Wooster and then he came to Galion to serve for 13 years as manager of the commercial printing department of the Galion Inquirer, daily newspaper.

With encouragement and assistance of his wife, Fisher founded the Fisher Printing Co. in Galion in 1942. This was started with only two small presses and lots of fortitude. After 11 years, Fisher now has developed a modern plant consisting of eight letterpress and offset machines, two automatic cutters, two automatic folders, a Linotype, and a personnel of 10 skilled craftsmen. His company handles a complete line of office supplies.

This is Milo Fisher's success story.

Is Active in Area

A member of the official board of the First Methodist Church, Fisher also is a member of the Galion Elks, Eagles, Moose, and United Commercial Travelers. He is now serving as an elected Democratic committeeman of Crawford County and has assisted as campaign manager in state, county, and local political campaigns.

Milo Fisher and his wife are the parents of three children, a son, John, 18, and twins, Marcus and Marcia, 15. Both boys work part-time in the shop and are showing an interest in the printing trade. Fisher is 48 years old. His hobbies are fishing and travel.

Kill Unseen Germs in Your Home

You can help prevent costly sickness in your home this winter if you will wash your floors, bathrooms, toilets, garbage cans and walls with world-famous HX ANTISEPTIC. This product was originated in England during World War II and helped keep down an epidemic when London was bombed out, water mains broken, etc. HX ANTISEPTIC has a fresh, clean aroma, is non-injurious, non-poisonous, non-staining and yet so powerful that it kills unseen germs on contact. Protect yourself and your family from costly sickness this winter—especially little children—by getting HX ANTISEPTIC today—only 79c. Money promptly refunded if not satisfied. But insist on HX ANTISEPTIC at your drug store. There is no substitute for this powerful germicide to help kill unseen germs in your home.

KICKING GONG AROUND

MILFORD, Conn. (UP) — The board of education deliberated for hours on whether to use horns, bells or gongs in a new fire alarm system. After it agreed on gongs it was learned the plans called for horns. The board reconsidered and voted for horns.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, *never* take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is *one of the finest natural laxatives* known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

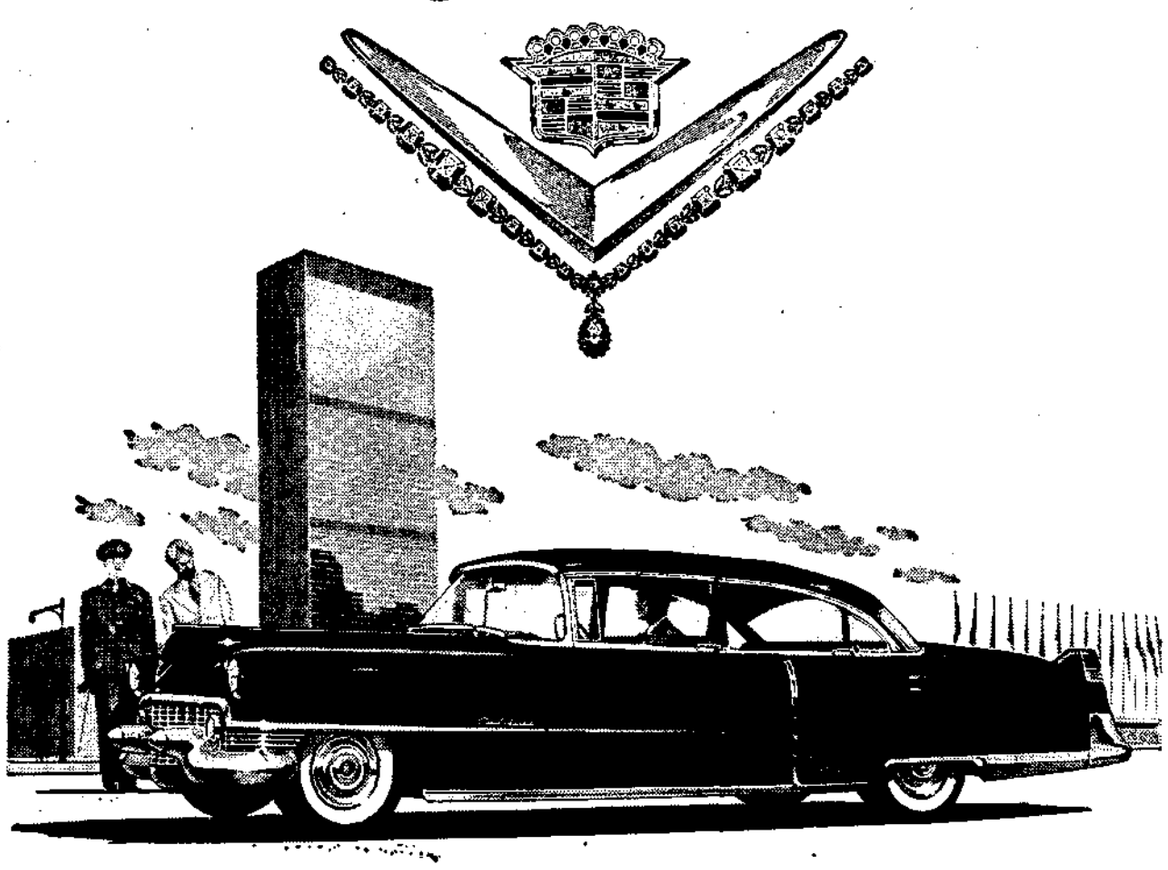
Cadillac



It Speaks a Universal Language!

Pictured above is the most eloquent motor car ever to travel the world's highways.

It's the great 1954 Cadillac—and it speaks not only with great eloquence, but in a language which is known and understood wherever there are roads to travel . . . and people to behold.

First of all, it speaks of its owner—the minute its beautiful hood comes into view.

"Here is a man," it says—almost as plainly as the words are written here—"who has *earned* the right to sit at this wheel—by his industry and deportment and enterprise. Be he merchant or lawyer or businessman—or doctor or farmer or financier—the odds are great that he's a credit to his calling and to his fellow men.

"Accept him accordingly—and you'll likely be right in your judgment."

And then, as it comes closer, it speaks its *special* message for 1954—the story of its own advancement.

Its beautiful silhouette—graceful, free-flowing and dynamic—announces a whole new era in automotive design . . . "expect me to be copied for years to come!"

And its smooth, silent, easy movement—a true symphony in motion as it glides past and on and away—says with clarity and eloquence that the world's standard for performance has been raised again.

And remember—the wonderful "voice" of a 1954 Cadillac, with its significant message, comes as a *bonus* to the man who sits at the wheel.

It comes *in addition* to all the priceless fundamentals which make a Cadillac a Cadillac: unrivalled endurance and dependability—incomparable comfort and handling ease—and unbelievable economy of upkeep and operation.

Better come in—and let a Cadillac speak for *you!*

News of the District

Crestline

Mrs. Audrey Kalbfleisch of Dayton, worthy grand matron of the grand chapter of Ohio, was the inspecting officer when Harmony Chapter No. 43, Order of the Eastern Star, held its annual inspection Friday night in Masonic Temple. Preceding the meeting, a dinner was served for officers, members, visiting members and candidates, in First Methodist Church. Seventy - two members and 179 guests from other towns were present. Honorary memberships were presented to the worthy grand matron, worthy grand patron, Herman Geist of Cleveland, and grand electa, Mrs. Eldon Workman of Crestline, who were introduced.

—:—

Following the regular business meeting of Good Hope Council, Daughters of America, held in the K of P Hall Friday, the Past Councilors Club held its meeting with Mrs. Paul Jeffrey and Mrs. Frank Beam as hostesses.

Cardington

On Thursday night the Mothers' Study League held a meeting in the school dining room. Guests were members of the Child Study Club and local school teachers and teachers' wives. Lois and Betty Betts gave two vocal numbers, accompanied at the piano by their mother, Mrs. Howard Betts.

The guest speaker was Dr. Robert Weimer, who is associated with the Frederick C. Smith Clinic in Marion. He talked on "Psycho-Sexual Development of Children." Refreshments were served in keeping with the St. Patrick season.

—:—

Margaret Byrd, daughter of Mr. and Mrs. Harold Byrd, has been selected from the Cardington High School junior class to attend Buckeye Girls' State at Capital University, Columbus, in June. Her alternate will be Janenne Heacock, daughter of Mr. and Mrs. Raymond Heacock.

Attendance of a girl at Girls' State is sponsored by the auxiliary to Jenkins-Vaughan Post of the American Legion.

Dean Curl, son of Mrs. Marjorie Curl, and Richard Koon, son of Mr. and Mrs Ivan Koon, were selected to attend Buckeye Boys' State to be held at Camp Perry. First alternate will be Dale Shaffer, son of Mr. and Mrs. Paul Shaffer and second alternate is Jon Sellars, son of Mr. and Mrs. Gilbert Sellars. Jenkins-Vaughan Post and the Cardington Rotary Club sponsor two boys annually at Boys' State.

Selection is based on scholarship, leadership, sportsmanship and courage for service, and an interest in civics, public speaking or debate.

Forest

The Women's Society of Christian Service of the Forest Methodist Church met Wednesday afternoon in the church parlors. The program was presented by Mrs. Carl Simpson on the theme, "To Create Good Will Between Americans and the Spanish Speaking People."

Bucyrus

Election of officers was held when the Modern Homemakers met recently in the home of Mrs. Eldon Hildebrand. The speaker was Miss Louise Augustine, county home demonstration agent.

— —

Mrs. Lucille Dillon is announcing the marriage of her daughter, Mary Ann, to Paul K. Schoenberger, son of Mr. and Mrs. Myron G. Schoenberger, Upper Sandusky. The couple exchanged vows Feb. 26 at 5 p.m. in the 135th Regimental Chapel at Camp Rucker, Ala. The chaplain, Lt. James A. Crisp Jr., solemnized the single ring ceremony.

The bride was graduated from Bucyrus High School in 1951 and has been employed in the office at the Swan Rubber Co.

—:—

Friday at 8 p.m. the annual winter concert by the Bucyrus High School Junior and Senior bands will be presented in the high school auditorium. This announcement was made by the bandmaster, J. Richard Simcox.

One of the main features of the program will be the presentation of the Arion Foundation Award which is made annually to the outstanding graduating senior member of the band.

—:—

Approximately 70 teachers and guests were present when the Bucyrus City Teachers' Association held a banquet recently in the YMCA. The entertainment was led by Mr. and Mrs. L. Paul Auck.

—:—

Mrs Woodrow Heinlen, president of the Bucyrus Girl Scout Council, gave the welcome when 200 Brownies, 75 Intermediate Girl Scouts and 35 leaders met Friday night in the YMCA. The gathering was in honor of the 42nd birthday of the Girl Scouts of Bucyrus.

—:—

The approaching marriage of Miss Roberta Nye of New Washington is being announced by her parents, Mr. and Mrs. Charles A. Nye. The prospective bridegroom is James F. Steele, son of Mr. and Mrs. William H. Steele, Bucyrus.

The couple will exchange vows May 9 at 2 p.m. in First Methodist Church with Rev. Glenn Lockard, pastor of the church, officiating. The custom of closed church will be observed.

Miss Nye is employed in the office at the Shunk Manufacturing Co. Her fiance is associated with his father at the Steele Studio.

—:—

Twenty-three members and guests were present when the Hannah Crawford Chapter, Daughters of the American Revolution, met Friday night in the King's Daughters' Chapter House. The guest speaker was Richard Lustig, of Galion, who is a native of Ulm, Germany. Red Cross films were shown by James Deaver.

Sycamore

The Grand Chief of Ohio Marietta Heller of Morral was the inspecting officer at the Mary Lincoln Temple of Pythian Sisters. Among the 103 present was the Grand Protector, Ruth Bushong of Van Buren, four district deputies and others from Forest, Bucyrus, Mt. Blanchard, Van Buren, Morral and Mt. Sterling.

Preceding the meeting dinner was served to the officers and distinguished guests in the Methodist Church dining room.

—:—

The Methodist WSCS met for the monthly luncheon in the church on Thursday with Circle 7 serving.

An Easter market window will be held on April 10. Contributions were made for repairs on the Carne Barge cottage and Wo-Ho-Mis dormitory, both used for youth fellowship work in Lakeside. The society will also sponsor a new closet for choir robes which will be built in the basement. Three packages of clothing were packed to be sent to Korea and for the next meeting each member is to bring a dress length of cotton goods to be sent to native missions in Africa.

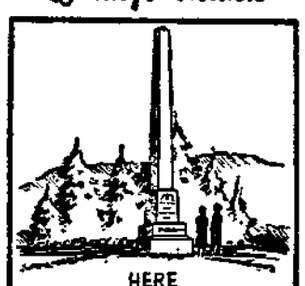
—:—

Twenty-two members were present for the Women's Guild of the E & R Church meeting Wednesday afternoon. Plans were made for family night, April 4, and they will also give a Lenten service Wednesday night of Holy Week. The program was presented by Mrs. Roma Swihart assisted by Ilah Ohl, Margaret Zellner and Anna Park.

—:—

Troop No. 29 of the Girl Scouts with their leaders, Mrs. Eddie Doss, Virginia Gribben and Nancy Osborn, met at the home of Mrs. Kenneth Beitler. Officers were elected as follows president, Joan Beitler; vice-president, Judy Virginia Hufford; secretary, Helen Bausman and reporter, Sharon Beard. The troop crest is the robin.

Buckeye Kernels



HERE TRIUMPHED IN DEATH NINETY CHRISTIAN INDIANS MARCH 8, 1782

THIS INSCRIPTION IS CARVED ON THE MONUMENT AT GNADENHUTTEN, TUSCARAWAS COUNTY, IN HONOR OF THE INDIANS MASSACRED HERE BY AMERICAN MILITIA. JOHN BIGERT

Upper Sandusky

Miss Diane Kauble, daughter of Mr. and Mrs. Galen Kauble, of this city, became the wife of Lawrence Culver, of this city, now in the U. S. Navy. The ceremony took place March 6 in the John Stewart Methodist Church here with Rev. Stanley H. McGilliard officiating. Close friend of the bride, Mrs. Thomas Rall, served as matron of honor. Thomas Rall served as best man.

Following the ceremony, a reception for approximately 50 guests was held in the church basement. Later dinner was served at the home of the bride's parents for friends and relatives

The new Mrs Culver is a graduate of Upper Sandusky High School. She attended Ohio University for one year and is a member of the Sigma Kappa Sorority. She is now employed with the Ohio Bell Telephone Co. Mr. Culver is serving aboard the U.S.S. Mt. Olmpus, at Norfolk, Va.

— —

Tabulations were completed today of March of Dimes cards returned in the Upper Sandusky public schools. Contributions totaled $227.18, $57 87 at the South building; $79 34 at the East building and $89 97 at the Union building

—:—

Ordered for September delivery by the Upper Sandusky Board of Education are two Janssen school pianos. One will be placed in the South Elementary School and the other in the East Elementary building.

—:—

The national championship VFW band from Fostoria will join with the Upper Sandusky High School Band for the presentation of a joint concert in the high school auditorium here. Director Ralph Faulk said the school band program will be presented between halves of the champion band's regular concert program of marches, overtures, symphonies and pop tunes. The program will be presented at 8 p.m. next Monday.

—:—

The annual Red Cross drive for funds is being carried forward in Tymochtee Township, Wyandot County, with a house to house canvass with Mrs. Kenneth Hufford as drive chairman. Solicitors are Mrs Harold Gilliland, Mrs. Dan Lester Snyder, Mrs. Neal Basel, Mrs. Paul Riedel, Mrs. Clarke Weininger and J. Dewey Hetzel.

Richwood

Mrs. Lewis Lake entertained her bridge club at her home near Richwood. Mrs. C. W Williamson won the award for high score and Mrs. Victor Lee won the guest prize.

—:—

Mr. and Mrs. Lee Hagenlocker entertained the Junior Euchre Club at their home. Mrs Fred Erwin and Mr. Wilson Mowery won high score awards. Mr. Mowery won the most lone hands prize Other prizes were won by Mrs. Carl Bugg and John Livingston. Officers elected for next year are: president, Carl Bugg; secretary, Mrs. Bugg.

—:—

Mrs. Vera Kelly and Mrs. Mary Louise Thomasson entertained the Senior Circle of the CCL at the Kelly home. Mrs. Esther Evans presided and devotions were given by Mrs. Dorothy Emmons. Answers to roll call were prepared by Mrs. Christine Dilger. Mrs. Irene Felter spoke on the topic, "A Healthy Personality For Your Child." Plans were made to attend the spring conference of the southwest district of the CCL at Cincinnati, April 12.

—:—

Statisticians of the Metropolitan Life Insurance Co. estimate there will be 8½ million widows in the United States in 1960.

Barons Begin Playoff Action Tonight at Cincinnati

Turner Cup Series Moves Into Coliseum Wednesday

Coach Ott Heller and the Marion Barons wound up preparations for a rugged playoff series with the league champion Cincinnati Mohawks yesterday. The two teams clash in the opener of the best of seven Turner Cup series tonight at the Cincinnati Gardens

The series moves to Marion tomorrow for the second game at the Coliseum. The third game is slated at Cincinnati Friday and the fourth will be played here Saturday. The fifth and seventh games, if needed, will be played on the Mohawk ice with the sixth sandwiched between at the Coliseum.

The Mohawks won the regular league chase by running roughshod over the other International Hockey League teams The Cincinnati skaters won 47, lost only 15 and were tied twice The runner-up Marion team notched 40 wins while losing 24 The Barons were the only squad in the circuit not involved in a tie game during the chase

Wilkie Gone

The Barons will be playing the series short - handed Murray Wilkie, who moved up to the Cleveland Barons for a weekend series, has decided to turn to the professional hockey ranks and will remain with Jim Hendy's parent Barons. The Barons have been undermanned for the last two months of the season and the absence of Wilkie could mean trouble The club has been playing with only two forward lines with two extra forwards since the loss of Jerry Prince two months ago

Biggest trouble expected by the Barons is getting the puck past Cincinnati's ace goal tender, Charley Hodge. Hodge finished the season Saturday night with a 2-0 win over Johnstown to boost his number of shutouts for the season to 10 He ended the campaign with a 2 33 average over a 62-game route. A total of 145 goals were scored against him

The Mohawks managed a 5-3 edge over Marion in the clubs' eight-game season series In fact the Mohawks notched a season edge over every club in the league with the exception of the Troy Bruins The Bruins broke even at 4-4 and was the only league entry which Hodge failed to shutout

Billy Goold will spark the Cincinnati offense He led the team in scoring with an 88-point total, compiled from 29 goals and 59 assists, a new record for Cincinnati The former high was 51 assists posted last year by Don Marshall who has since moved up to the Buffalo Bisons.

Ken Biggs, a member of the same line was second big gun for the Hawks He batted in 26 goals and had 58 assists for 84 points Wingman Art Rose came in with 63 points from 39 goals and 24 assists The Cincinnati club held a 29-17 scoring edge over the Marion sextet during the season. It has won the last two outings of the clubs.

Leads in Penalties

Another Mohawks ace sure to cause trouble is the rugged little defense ace, Mickey Keating Keating has been the Mohawks' bad boy' and has spent 99 minutes in the penalty box.

Kenny Schultz finished the campaign as the Barons' top offensive gun. He scored a flat 100 points on 47 goals and 53 assists. Gordie Vejprava was second in the Marion scoring derby with a 91-point total Vejprava led the league in goals with 58 and added 33 assists Hal Jones came in with 27 goals and assisted on 55 for an 82-point finish Vejprava and Schultz tied for the league lead in hat tricks with five each

Only two members of the Marion squad played in all 64 games for the local team. They were Heller and Vejprava with Lou Crowdis, Steve Brklacich, Wimpy Jones and Hal Jones missing only one

Lebioda topped the club in the number of penalty minutes. He was idled for 170 minutes Two other Barons spent more than 100 minutes in the penalty box They were Wilkie with 157 and Phil Vitale with 125

Game time for tonight's opener is 8 30 The battle will be broadcast by WMRN.

A's Jolting Foes To Top Spring Play

By BEN OLAN
Associated Press Sports Writer

Rookie Manager Eddie Joost, who played under two of baseball's most brilliant tacticians, Connie Mack and Casey Stengel, had his surprising Philadelphia Athletics on top of the exhibition standings today

The Athletics rumored to be in a bad way financially, have won six straight games without a loss The Baltimore Orioles have the next best record, 8-2 followed by the Pittsburgh Pirates, 5 2, the Brooklyn Dodger, 6 3, and the St. Louis Cardinals, 5-3

"Our new men will have to come through if we're to make a good showing, ' is Joost's analysis of his team s chances in the regular season.

Three of the new men, Don Bollweg, obtained from the New York Yankees, and rookies Tommy Giordano and Lou Limmer slammed home runs yesterday as the Athletics defeated the Boston Red Sox 10-7. Veterans Gus Zernial and Ray Murray also homered.

Nevertheless, the new skipper has his work cut out for him. His club, which finished in seventh place in 1953, 41½ games behind the Yankees, played before only 362,113 fans—a drop of more than 250 000 from the previous year

The Orioles suffered their second setback when they bowed to the New York Giants 13-8 Ray Katt, Davey Williams, Monte Irvin and Willie Mays hit homers for the Giants while Dhuck Diering a former Giant, connected for Baltimore.

Don Thompson's scratch single with the bases loaded in the ninth drove in two runs to give the Dodgers a 2-1 victory over the Washington Senators Big Don Newcombe pitched the last inning and received credit for the triumph.

Homers by Stan Musial, Ray Joblonsky and Wally Moon topped a 19-hit attack by the Cardinals as they swamped the Chicago Cubs 16-7.

A sacrifice fly to Jim Greengrass in the ninth brought in the run that gave the Cincinnati Redlegs a 4-3 victory over the New York Yankees Allie Reynolds, making his first start of the year, gave up five hits and two runs in four innings.

The Milwaukee Braves clubbed three Detroit pitchers for 11 hits as they whipped the Tigers 7-1 Jim Pendleton homered for the Braves, who received six-hit pitching from a trio of young right-handers, Joe Jay, Ben Johnson and Dave Jolly

The Philadelphia Phillies scored six runs in the eighth and three in the ninth to edge the Chicago White Sox 12-11. The Sox tallied eight runs off Robin Roberts in the five frames he worked

The Phillies 'B' team walloped the Cincinnati scrubs 21-8

Three more players were added to the injured list

Redleg southpaw Ken Raffensberger sprained his right ankle when he stepped on a rolling ball Dave Koslo, Giants' southpaw suffered a badly bruised left wrist when he was hit by a ground ball, and Red Sox outfielder Jim Piersall came away with a bruised hip when he crashed into a wall while chasing a long drive

Field Filled In Regional Cage Action

By FRITZ HOWELL

COLUMBUS Ohio (AP)—A perfect picture of fluctuating fortunes was offered today as Ohio s high school regional basketball field of 32 teams was completed

Cleveland Cathedral Latin (16-4) and Canton South (18-4) moved into the Class A fold last night in the snow-delayed Kent district meet setting the stage for this week s tournaments—4 in Class A and 4 in Class B—in which next week s state finalists will be selected

Canton South eliminated Struthers 54 51 and Cathedral Latin was a 78-60 victor over Chagrin Falls Orange Pairings for the two Class A and single Class B four team tourneys in northeastern Ohio will be made tonight, at which time the playing sites will be determined

The example of fluctuating fortune was that only Frank Shannon s unbeaten Tecumseh Team (22-0) was able to repeat from last year s round of 16 in Class A and not a team was back from the 8-team field which sought the big title 2 years ago Shannon and his fine crew made it a year ago with 23 1, but fell before Middletown, eventual state champion in the regional finals at Cincinnati

Three of last year s Class B regionalists made it again, Philo and Waverly in the southeastern district and Delphos St John in the northwest Of the 1952 field of eight in the state meet only Lockland Wayne is back Wayne won the laurels that year.

Thus of 80 teams reaching the regionals the last 2 years, and the 8-team state tourney of 1952, only 5—one in Class A and 4 in Class B—have been able to make it twice.

Although this year's regional field matched the 1953 aggregation by sending two unbeaten teams into each class, the current crop s average is poorer in the overall picture Last year s Class A group won 282 and lost 59 through district play, while the 1954 contingent has a 278-63 record

Class B a year ago, showed 382 victories against 40 losses, while it s 347-40 this time.

None of last year's unbeaten teams, Cleveland East Tech and Akron Garfield in Class A each with 18-0, and Glenford (29 0) and Waynesburg (25-0) in Class B, emerged from the regionals

The present unbeaten quartet includes Tecumseh and Niles (23-0) in Class A and Vienna (29 0) and Copley (23-0) in Class B The two Class B goliaths will play in the same northeastern regional

Opening game in regional play pops up tomorrow night at Athens as Waverly (22 6) meets Hartford (18 4) in Class B The other tournaments get under way Thursday—unless the northeastern Ohio board of control decides to get an early start in its three qualifiers

Tops at Wittenberg

SPRINGFIELD, Ohio (AP)—Wittenberg College has named Jack Hawken its most valuable basketball player of the 1953-54 season. The Springfield sophomore set a school record this season with 452 points

First string forward on the All-Ohio Conference team he also set a Wittenberg Fieldhouse record by scoring 37 points against Marietta last month

Standings Juggled

Kentucky, Indiana Top Poll Despite Surprising Setbacks

By RIP WATSON

NEW YORK (AP)—Kentucky s undefeated basketball team which passed up tournament play, was voted the best college team in the nation today by sports writers and sportscasters participating in the next-to-last Associated Press weekly poll

The Wildcats, who closed their season by beating Louisiana State for the Southeastern Conference title were given the No 1 spot on 47 of the 70 ballots Kentucky finished with a 25-0 record the first perfect mark since Army s in 1944

Indiana held second place despite an upset loss to Notre Dame with 420 points to Kentucky s 574 on a basis of 10 for first, nine for second, and so forth Following in order were Holy Cross, Notre Dame, Duquesne La Salle George Washington, Western Kentucky, Penn State and Oklahoma A&M

Below the top two, however the standings received a thorough jugging as the voters considered the results of the National Collegiate Championships and the National Invitation Tournament

Holy Cross, which won the NIT by upsetting first Western Kentucky and then Duquesne, vaulted six places into the No 3 position La Salle the current choice to grab the NCAA championship also climbed six places to the No 6 spot although its tournament victories were hardly upsets

But the big surprise in the poll was Penn State, which had not gotten as many as 10 points all season The Nittany Lions jumped right into the top 10 taking over ninth place after startling victories over Louisiana State and Notre Dame

Southern California and Bradley the other NCAA semifinalists with La Salle and Penn State landed just outside the top 10 with the Trojans 11th and Bradley 12th Both teams previously had been lost among the also-rans

Compensating for these leaps and bounds Oklahoma A&M plunged five places to 10th after its Bradley loss Duquesne dropped two places to No 5, Western Kentucky slipped four to No 8 and Louisiana State and North Carolina State fell all the way out of the top 10

Notre Dame went up two notches to fourth, as the voters apparently figured the Indiana upset more than outweighed the Irish loss to Penn State the following night George Washington retained the No 7 notch even though their only action since the last poll was a loss to North Carolina State

The leading teams (first-place votes in parentheses):

1	Kentucky (47)	.. ..	574
2	Indiana (3)	.. ..	420
3	Holy Cross (11)	.. ..	389
4	Notre Dame (1)	..	375
5	Duquesne		351
6	La Salle (2)		317
7	George Washington (2)		270
8	Western Kentucky		209
9	Penn State	.	143

Tribe Skipper Still Undecided On First Base

YUMA, Ariz (AP) — Manager Al Lopez said today he was no closer to picking a first baseman for the Cleveland Indians than when spring training started

Watching candidates Rocky Nelson Luke Easter and Bill Glynn go through their paces he noted

We've still got a month to go and a lot of things can happen

Of Nelson, purchased for $15 000 from Brooklyn the manager said

I m sure he can do better than he has shown so far I know he s a good glove man but he hasn t even been impressive in the field. That s what makes me think he s pressing trying too hard

In exhibitions Nelson has only a 250 batting average

Easter big but brittle broke a foot early last season and was replaced by Glynn who finished the season with a 243 average.

(Both winners to Northeastern regionals)

Leaders Edged As Men's City Tourney Ends

D Goodwin, W Bennett and the team of D Lutz and W. Burgin were winners in the Men's City Bowling Tournament which closed with action the past weekend

Goodwin vaulted into top spot in the singles event with his 711, replacing Albert Lundquist who had held the position with a 693

Lutz and Burgin fired 1362 in the doubles event to overtake the previous leaders, Albert and Alfred Lundquist, who had combined to hit 1324

D McCombs and Bob Peifer jumped into third spot with a 1316 while A Edler and G Edler who fired 1305 moved into fourth in the doubles

W Bennett retained his first place standing in the all events with his 1797 but second and third places were taken over by W Lutz with 1776 and D. Lutz with 1746

Inth esingles event Gail Debolt came in third with 688, Bob Cole fourth with 687 and Jack Gorenflo fifth with 686 In actual pins, W Bennett had the highest score a 640

Fifth spot in the doubles belonged to R Owens and R Chamberlain, who fired 1302. The team of D Lutz and W Burgin had the highest actual pin score 1230

R Shoemaker with 1745 and T Blair with 1725 came in fourth and fifth in the all events

Finishing in the money were bowlers hitting down to a 619 in the singles event, 1217 in the doubles event, and 1660 in the all events.

Redlegs Defeat Yanks; B Club Belted by Phils

CLEARWATER, Fla (AP) — The Cincinnati Reds can beat those Yankees but brother, watch out for the Philadelphia Phillies.

The Cincinnati "varsity" edged the world champions 4-3 yesterday at St Petersburg. The "B' team floundered here as the Phillies 'B" hit eight homers and won 21-8

Jim Greengrass' ninth inning sacrifice fly sent home Bobby Adams with the winning run for the Reds Starter Fred Baczewski and Harry Perkowski, a pair of southpaws, limited the rookie studded Yankee lineup to six hits.

Two of the hits were homers one by Hal Smith, a rookie catcher, in the fifth, and the other a pinch hit by Bob Cerv with one on base in the eighth

The Reds scored two runs off Allie Reynolds with the aid of a couple of wild pitches in the fourth, and added another tally in the third Perkowski was credited with the win

During a pre-game batting practice session, Ken Raffensberger stepped on a ball and suffered a bad sprain of the right ankle Club officials said they did not know how long he would be out of the lineup

In the 'B" game slugfest, starter Rudy Minarcin gave up 11 runs before he was relieved in the fifth

Ted Williams Receives Dicharge From Hospital

CAMBRIDGE, Mass (AP)—Boston Red Sox slugger Ted Williams is due to leave Sancta Maria Hospital today—exactly one week after undergoing an operation on his fractured left collarbone.

The $100 000-a-year baseball star was hurt in a fall March 1 at the team s Sarasota, Fla , training camp He fell while trying to field a liner only 10 minutes after starting his first practice session

Physicians plan to remove the operation stitches Thursday and Williams hopes to head for his Miami home soon afterward.

Of Great Britain s 23 million employed people about 9½ million belong to unions

Gilead Cagers Area's Final Hope at Title

Mount Gilead High School's district champions began drills yesterday for their crack at a share of the regional crown Friday night at Troy against Westmont.

The Indians are this area's lone hope to reach the state basketball finals after Sycamore's undefeated Wildcats dropped a heart-breaker in the district Class B tournament at Mansfield last Saturday night.

Sycamore, riding the crest of a 28-game winning streak, bowed to Huron 46-45 when the Erie County champs came from behind in the final half minute of play. A jump shot by George Majoy with 30 seconds remaining and two charity tosses later pushed Huron to the win.

Sycamore held quarter leads of 12-9, 28-19 and 38-30 before Huron outscored the Wyandot County kingpins 16-7 in the final round.

Huron, 19-1, now goes to Toledo where it takes on Ottoville, 22-2, Thursday night in regional play.

Mount Gilead, which copped the district tourney at Capital last Saturday night, takes part in regional play at Troy Friday night. The Indians, 20-3, meet Westmont, 24-1, at 9 p.m. there.

Dan Bogard, Sycamore's 6-6 sophomore center, led the Wildcat attack against Huron with 19 points. All other Sycamore starters failed to hit double figures. Vaughn Shell had nine, Weaver eight, Leon Shell six and Don Hannam three. Jim Armstrong dropped in 18 points for Huron while Majoy added 14 and Taylor came in with ten.

Bogard and Vaughn Shell were named to the all-tournament team following the final game. Majoy and Armstrong also made it for Huron while the fifth cager was Fremont St. Joseph's Ken Gabel.

Fights Last Night

BROOKLYN — Nate Brooks, 118½, Cleveland, decisioned Henry (Pappy) Gault, 121, Spartanburg, S. C., 10.

BOSTON—Vince Martinez, 149¼ Paterson, N. J., stopped Ronnie Harper, 148¾, Roanoke, Va. 2.

DETROIT — Ken Hammer, 189, Detroit, stopped Howard Tate, 213 Canton, Ohio, 7.

OPEN DATE AT MARSEILLES

Athletic officials at Marseilles High School are attempting to fill an open date on the school's 1954-55 basketball schedule. Coach Harry Sells said he is interested in booking a game for Jan. 28 at home or on the road. He added he also would like to enter his cage charges in a holiday carnival event. Any school interested in the opening is asked to contact Sells at Marseilles 123J.

Browns Sign Two

CLEVELAND (AP)— Center Jerry Hilgenberg of the University of Iowa and tackle Howard Chapman of Florida signed pro football contracts yesterday with the Cleveland Browns.

Of the 28 signed so far, 14 are men returning from military service, 12 are draft choices of 1953 and 1954, and 2 are veterans.

Local Quintets Handed Losses In YMCA Invitational Tourney

Farm Bureau of Mt. Gilead, Raymond and LaRue captured wins in the YMCA Invitational Tournament at the Y last night. The Farm Bureau five dumped the strong Marion Industries team 64-60, Raymond, paced by Bill Coder of Marysville, defeated GI Post 67-54 and LaRue dropped Marion Power Shovel 56-48.

The Marion Industries - Farm Bureau tilt was battled right down to the wire with the latter breaking away from a three-point first period deficit to lead most of the three remaining periods. After regaining the lead at the finish of the third period 43-42, Marion Industries succumbed to a barrage of buckets in the first five minutes of the final period to trail by nine points. Putting on a full court press during the last two minutes, the Industries narrowed the gap to four points and had the winners on the ropes with its pressure type defense. J. Spicer, the Farm Bureau's leading point getter, racked up 19 points while Harold Dillion heaved in a total of 26 for Marion Industries.

Coder, former Marysville basketball star, rolled in 32 points as Raymond rolled to a 67-54 win over GI Post. The winners jumped to anearly 19-14 first period lead and never were headed. Leading by 11 points midway in the third period, the winners' defense lapsed momentarily as GI Post rallied to within four points of knotting the count. Raymond's 19 final period points finally netted it an easy verdict. Jim Finnegan flipped in 15 to lead the Legion five while Max Roseberry added 14 to the cause.

LaRue dropped Marion Power Shovel out of the running mainly on the basis of a torrid first period which gave it a 17-9 lead which the Shovel was unable to make up. Both teams hit a hot streak in the final period netting 22 tallies each. Bogart was LaRue's leading scorer with 21 while Dick Bender tossed in 14 for the Shovel.

Tonight's action at the Y will see a resumption of Church League games which were postponed from Saturday night because of the area badminton tourney here.

MUSIC WINNER. Marine Lt. Col. Carl W. Hoffman holds his composition, "Esprit de Corps March," winner of $1,000 in ASCAP's armed forces competition.

GRID COACH QUITS

YOUNGSTOWN, Ohio (AP)—Charles McPhee, Chaney High football coach for 28 years, said today he was retiring from the game but would remain a teacher. One of his players was Frankie Sinkwich, an All-America at Georgia.

Auto Tag Sale Lags as Usual, Clerks Report

With one dissenting opinion Marion County deputy registrars of motor vehicles agreed the sale of 1954 automobile license tags is "going just about as usual."

A survey of registrars at Marion, Caledonia, LaRue, Morral and Green Camp revealed that as of Monday about 6,500 tags had been issued. Vehicle registration in these communities last year numbered about 15,500. This means that with 50 per cent of the registration time gone, about 40 per cent of the tags have been issued.

Mrs. Corah Weber, registrar at Marion, said she began with license tag Q-51 and yesterday morning had sold Q-4843. Last year she issued through Q-9999 and enough of the R and P series to total 11,626 numbers.

Mrs. Elizabeth O'Hara in Green Camp began with R-2001, and sold R-2750 yesterday. Last year she issued about 1 750 tags, but has 1,899 available this year. Mrs. O'Hara dissented from the others in saying that her registration at this time is "way behind last year."

At Caledonia, Mrs. Virginia Timson issued plate R-1390 yesterday after starting with R-1001. She normally sells about 950 and said she "hasn't been too busy" so far this year.

Mrs. Ethel Carter in LaRue said her license issue is "just about as usual." Last year she sold about 800. This year she began with R-3901 and has sold through R-4253. And at Morral, deputy registrar Mrs. Lenore Ferguson sold R-3530 yesterday after beginning with R-3401. Normally selling about 500 tags, Mrs. Ferguson said she is a "little ahead of where I was last year for this date." The Prospect registrar could not be reached for comment.

All the deputy registrars said they were open evenings until 9 p.m. as well as the daylight hours. The 1954 tags must be purchased by March 31.

Two Alarms Answered

Marion city firemen were called out to two fire scares Monday. Central station firemen were called to the residence of Harry W. Roberts at 430 Windsor St. shortly after 7 p m last night when smoke from the furnace filled the house. They reported there was no fire and no loss. A run was made at 3:54 p.m. when a passerby saw smoke from a bonfire at Scioto and Center Sts. and turned in a fire alarm. It was answered by Central and W. Center St. station firemen.

Most people find that their hearing is less keen immediately after meals.

Appeals Court Orders Holland Man Released

TOLEDO, Ohio (AP) — The Sixth District Court of Appeals ordered the release yesterday of a Holland, Ohio, prisoner who had received a prison sentence of up to seven years.

The three judges held that Robert Caswell, 22, sentenced by Common Pleas Judge Donald C. Van Buren for grand larceny, should be given a new trial.

Caswell was one of three defendants indicted on charges of stealing a $640 power saw from an Ohio Turnpike contractor. The two other defendants have been in the Ohio Penitentiary since the sentencing last December.

In an opinon by Judges Amos L. Conn, Clyde L. Deeds and Lehr Fess, the Appellate Court said in a single day Caswell was arraigned and sentenced, but was not given a copy of the indictment, advised of his legal rights, or given a chance to plead.

Judge Van Buren denied there were legal irregularities. He said all three defendants admitted guilt, and each one pleaded guilty before a justice of the peace and in Common Pleas Court.

Japan's Inland Sea has about 3,000 islands if the islets and jutting rocks are counted.

Hydraulic Press Lists Record High Business for Year

MT. GILEAD — Shipment of $14,891,292 during 1953 at the Hydraulic Press Manufacturing Co. set another record according to the annual report.

Profit margins before taxes were $2,140,478. Taxes amounted to $1,017,000 and excess profits taxes totaled $330,000 leaving $793,478 or approximately 37 per cent of the earnings for stockholders.

The profits also set another record the report stated. Highest profits were for the third quarter of last year when $250,590 was reported. Earnings per share of stock for the year amounted to $3.25 compared to earnings of the previous year of $2.51. The earnings were paid on 238,041 shares of stock.

The report stated that the new line of hydraulic components was added in November of last year and that this entailed considerable expense and expansion of the sales department. The new line is not expected to affect the profits for at least 8 months.

The first drop in backlog orders in two years came at the end of the year, with the marked drop in defense orders.

Horseshoe crabs are more closely related to scorpions and spiders than to true crabs.

"STRANGE PIPES IN TOLEDO" ... Weird new towers and pipes decorate the skyline! At the left, in this night scene at Pure Oil's Toledo Refinery, is a new Orthoflow Fluid Catalytic Cracker capable of producing 300,000 gallons a day of highest quality gasoline.

NEW OHIO CAPACITY FOR FINEST GASOLINE

Pure Oil completes new type "cat-cracker"...

First of its advanced type to go on stream anywhere in the world!

It takes the most highly skilled technicians and the most modern electronic instruments—to keep great refinery units like Pure Oil's new Orthoflow Fluid Catalytic Cracker at Toledo running at top efficiency 24 hours a day!

Great new capacity for the refining of the most powerful modern gasolines came as a real boon to motorists in this area when Pure Oil put its new Orthoflow Fluid Catalytic Cracking unit on stream at Toledo recently.

This unit is the first of its design to go on stream anywhere. It employs the "fluid catalytic cracking" process which gives higher quality gasoline than any earlier cracking process—*and gets more of it out of every barrel of raw material.*

First of Two Multimillion Dollar Plants

The christening of this great new "cat-cracker" at Toledo will be followed shortly by the completion of a similar, but even *larger,* new Orthoflow Fluid Catalytic Cracking unit at Pure Oil's big refinery—near Beaumont, Texas.

The capacity and efficiency of these two great refinery units, plus the modern units at Pure's Heath refinery near Newark, Ohio, maintain Pure Oil in a strong position of leadership in the refining of power-packed fuels for today's more powerful cars.

They add *fresh assurance* to that famous phrase: **Be sure with Pure.**

Enough high octane in one day to drive your car around the world 180 times!

With ability to produce 300,000 gallons of high octane gasoline every 24 hours, this one great new unit can turn out enough gasoline to drive your car around the world 180 times! ... If you only drive your car about 10,000 miles a year, you could power your car for *450 years* with one day's output of this amazing new Pure Oil plant!

IMPROVED PURE GASOLINES

Sensitized FOR INSTANT POWER

Three great Pure Oil refineries serve this important area

Your best buy!

2 Traffic Mishaps Reported by Police

Two minor traffic accidents were reported today by Marion police. The state highway patrol and sheriff's deputies reported no accidents on county highways.

A car parked on N. Prospect St. near W. Center St. owned by Richard Lawson of near Marion was struck by another car driven by Mrs. Lois Schelb of 624 Cherry St at 9 24 a.m. Monday. She told police she was attempting to park her car.

A utility pole was broken off at Sheridan Rd. and Maynard Dr at 8·25 p.m. Monday when a car owned by Florence Boyd of 854 Sheridan Rd coasted backward out of her driveway and across the street, generating enough momentum to snap off the pole when it struck it.

7 Drivers Stopped By State Patrolmen

Seven traffic arrests were reported today by the Marion post of the state highway patrol.

Posting bond for appearance in Municipal Court were William Burtline, 48, Cincinnati, parking on the highway; John B. Grigsby, 18, Detroit, unsafe operation; and Jacob H. Hawk, 29, Columbus, failure to stop for automatic railroad signals.

Arrested for speeding and fined were Douglas A. McBride, 19, of Pensacola, Fla., $20 and costs by Justice of the Peace R. R. Bennington of Mt. Gilead; Lee W. Hunter, 32, Dayton, fined $15 and costs by Cardington Mayor Don Healea; James G. Steele, 42, of Akron, $15 and costs by Mayor Ted Anderson of Ashley; and Martin L. Schillinger, 45, of Mansfield, $15 and costs in Municipal Court, Delaware.

FILES SUIT FOR $$$. Seth Baker, who married comedian Jack Benny's adopted daughter, Joan, last week in one of Hollywood's biggest wedding ran into matrimonial trouble when his former wife, Joan Scott Baker, 21 (above) filed suit to have his Virgin Islands divorce set aside as illegal. She asked for a legal separation and "sufficient" money for support. Baker said she agreed to a $5,000 settlement when the divorce was issued last year. In the photo she is looking at the marriage ring Baker gave her in July, 1951.

Two Youths Fined After Road Battle

Two out-of-town youths were each fined $50 and costs in Municipal Court Monday on charges of assault and battery filed by the Marion County sheriff's office

The two were Carl L. Grendow, 19, of Amherst, and John W. Russert, 20, of Elyria. They were arrested by sheriff's deputies Sunday night near the Marion-Crawford County line and charged with assaulting three 16-year-old Bucyrus area boys.

Three teen-agers told investigating deputies that Grendow and Russert forced their automobile to the side of the road and then engaged in a fight with them.

Model Claims She's Still Wed To Seth Baker

Joan Benny's Husband Illegally Divorced, New York Suit Claims

NEW YORK (AP) — Joan Scott Baker, a 21-year-old model, claims she is still legally married to the man who last week married comedian Jack Benny's daughter in a lavish Hollywood wedding.

The blonde, blue-eyed model said a Virgin Islands divorce granted Jan 29, 1953, was no good because neither she nor New York stock broker Seth H. Baker, 26, was a bonafide resident of the islands at the time.

She filed a suit in New York State Supreme Court asking that the divorce be set aside and that she be granted a separation plus support and maintenance. She said she and Baker were married in Florence, S C, July 19, 1951, when he was an Army private.

Baker—now honeymooning with Benny's adopted daughter Joan 19, in Hawaii - filed a denial through his attorney, claiming the divorce was valid and that Miss Scott had accepted a $5,000 settlement.

In Hollywood, a spokesman for Benny said the comedian's attorneys had checked Baker's divorce before his wedding to Miss Benny and "found the divorce entirely legal."

About one per cent of U S. land is occupied by towns of more than 1,000 population.

Salvage Ship Finds Jetliner Wreckage

PORTO AZZURRO, Elba (AP)—A salvage ship has recovered a large piece of the British jet Comet airliner which crashed off Elba Jan. 10 with the loss of 35 lives.

The ship Sea Salvador, leading the British Navy search for wreckage of the craft, made the find yesterday in the sea south of this Mediterranean island.

The piece, largest yet recovered, was made up of part of the tail and wing.

Searchers also reported they have sighted the plane's engines on the sea bottom with the aid of underwater television equipment.

Authorities said none of the 20 missing bodies of crew and passengers has been found in the recovered wreckage.

NURSERY ENAMEL HARMLESS
LOS ANGELES (UP)—A "safe" enamel for the nursery now is available. The enamel is non-toxic and odorless, the maker said, and is suggested for refinishing such items as cribs, toys, and playpens. The enamel comes in the traditional nursery shades—pink, blue, white, and pale green.

Quick Relief for Sore Gums

When gums are sore and raw after tooth extractions or from ill-fitting false teeth, get instant, soothing relief with an amazing new liquid called PAINALLAY. Just swish a little around in mouth where gums hurt. You'll be amazed how quickly, how wonderfully PAINALLAY takes the ache out of pain. For PAINALLAY is a dentist's formula, used and recommended by dentists. Get PAINALLAY at your drug store today.

N.Y. Stock Quotations

NEW YORK (AP)—Stocks maintained a fair degree of firmness today in a quiet market

Gains in some instances went to between 1 and 2 points while losses were held to a point or less in key areas

Aircrafts were among the better gainers and most oils showed up well. Also higher were the motors, chemicals, electrical equipments, soft drink issues and railroads

Higher stocks included Santa Fe Skelly Oil, U S Smelting, Du Pont Wesunghouse Electric, Coca Cola General Motors Boeing, Lockheed, and Consolidated Vultee

Polio Benefit Dance Slated For Richwood

RICHWOOD .—Ticket sales for the St, Patrick's Day dance this Wednesday in the Richwood American Legion Hall is going beyond the early expectations of the committee in charge. A second printing of tickets was necessary to meet the demand.

American Legion and Veterans of Foreign Wars, assisted by their auxiliaries, are putting on the dance for the benefit of the Magnetic Springs Polio Foundation.

The joint dance committee includes: Raymond A. Bumgarner, Arby Cramer, Sherman Wilson, Walter Hamilton, George Hoffman and Harold DeBolt.

The dance is scheduled to begin at 9 p.m. and end at midnight with the Cooley Dance Orchestra furnishing the music. Everyone is requested to wear some green. A $50 bond and a door prize will be awarded.

A sum of $250,000 is needed to start the clinic and rehabilitation center at Magnetic Springs, and some $112,000 has already either been paid in or pledged. The amount does not include the goal of $100,000 which Byron Frederick, state master, has set for the Granges of Ohio. It was reported this week that 152 Granges in the state have paid in $13,300.27.

Trustees of the foundation are Dr. Kenneth Keever, founder of the movement, and P. M. Curl, Marion Winter and Robert F. Allen, of Richwood, Donald J. Hoskins, Fred H. Johnson, Dr. Harry E. LeFever, Dr. Judson D. Wilson, Sid R. Phillips, Dr. John D. Porterfield and Byron Frederick, all of Columbus, Richard L. Kroesen of Cleveland, R. Kenneth Kerr Jr., of Athens, and C. J. Farcasin, Mrs. A. B. Cohen and Charles M. Williams of Cincinnati.

Stop Sign Maker Fails To Stop, Flunks His Test

OKLAHOMA CITY (AP) — Ronald Earle Diesterweg failed his driver's test after rolling through three stop signs.

He blushingly told examiner H. T. Jones his latest job was the manufacture of 8,000 stop signs and other warning markers for the State Department of Public Safety.

G. E. TO LAY OFF 90

TIFFIN, Ohio (AP)—The General Electric Co. plant here announced the layoff next Friday of 90 employes, mostly women. Manager H. E. Boles said the action follows a decrease in production schedules of the plant, which manufactures fractional horsepower motors.

NICE HANDFUL. Mrs. Margaret Clark displays a 5-pound Brazilian aquamarine valued at $2,500,000 now resting in a New York vault pending decision in an ownership dispute.

Couple Saved From Fire By Maryland Farmhand

OAKLAND, Md. (AP) — Roy Dillworth, 32, a 140-pound farmhand, was credited with saving the lives of an elderly couple when fire destroyed the home of Mr. and Mrs. Rell Friend about 18 miles north of here yesterday.

Fire Chief Emroy Bolden said Dillworth led Mrs. Friend from the upstairs room where she had collapsed. Then he dragged her 260-pound husband, an invalid, to safety.

WOMAN CONVICTED

CINCINNATI (AP)—Mrs. Salenthiel Mann, 29, was convicted in Criminal Court yesterday of second degree murder in the death of John Grier, 30. The prosecution said Mrs. Mann stabbed Grier when he threatened to leave her and return to his wife. Sentence was withheld pending an appeal.

Ex-Bucyrian Credited With New Synthesis

BUCYRUS — Dr. Frederick F. Blicke, professor of pharmacy at the University of Michigan at Ann Arbor and a Bucyrus native, is credited with playing an important part in the discovery of a new synthesis of tropic acid, which, in turn, yields the antidote drug, atrophine, according to word received here by his father, W. A. Blicke, Bucyrus bank president.

Dr. Blicke's discovery has made it possible for the production of large quantities of the life saving antidote for nerve gas. Previously the drug was obtained only from plants grown mainly in Iron Curtain countries. Dr. Blicke's discovery, made with chemicals from petroleum, frees the U.S. from dependence upon foreign supplies, chemists pointed out.

Nerve gas blocks or paralyzes nerves, causing death unless quickly counteracted. Atropine, which neutralizes the paralyzing chemical, is the best known antidote and can be stockpiled. About 1,000 pounds of the drug are used annually in the United States as an anti-spasmocid in treating gastro-intestinal disorders and for eye drops in making eye examinations.

A British chemist first developed a laboratory method of making atropine but it was too costly. Dr. Blicke then made his discovery, using oil as a basis, and turning the British method into a commercial, reasonable-priced pathway to synthetic atropine.

U.S. land occupied by towns of over 1,000 population totals about 18¼ million acres.

Mother Informed She Needs Tonsils Out, Too

CHICOPEE, Mass. (AP) — Friends said last night Mrs. Rene Cote took her son Armand to a doctor's office for a tonsil checkup recently.

When Armand balked at letting the doctor look down his throat, his mother said, "Look, dear, it's easy," and opened her mouth wide.

The doctor took a look at Mrs. Cote's throat and said: "Hmmmm, you'll have to have your tonsils out too."

What's Wrong with AUTO AUCTIONS

not a thing—for out-of-town automobile dealers Auction prices are bottom-dollar prices But you can't buy at an auction They're only for dealers And anyway, you couldn't trade-in the car you're now driving

No, auto auctions aren't for you BUT AUCTION PRICES ARE at Short Ford for the rest of the week Here's why:

We have 50 top quality A-1 used cars and trucks that we don't want to sacrifice to out-of-town dealers at the auction It doesn't seem right So through Saturday we're offering them right off our big lot at what we believe are auction prices or lower. Here are a few samples Judge for yourself.

'52 Plymouth
A Crambrook Four Door Sedan with radio heater and gas saving overdrive
$979

'49 Mercury
A real sharp Two Door Sedan with heater and radio Be sure and see this A 1 car
$689

'48 Chevrolet
A very nice car with heater and radio Exceptionally clean inside and out
$439

'51 Ford
A sharp 8 cylinder Two Door Sedan you'll be proud to own.

Solution of Yesterday's Puzzle

Did You Know

It has been lamented that young America is no longer interested in playing Big - League baseball. Still, if the basepaths of glory lead to Marilyn Monroe, sandlot competition may get a new impetus.

—:—

The old subscriber is always complaining that the editor only prints stories about people who make mistakes, and yet he is the first to pounce on typographical errors without ever once writing in to commend the paper on all the words that are spelled right.

—:—

Being poor becomes more and more humiliating. Where the chrome grilles on the expensive cars merely used to sneer, on the latest models they seem to be sticking out their tongues at us.

—:—

This country is so vast we just don't know the problems that other folks encounter, like the woman columnist on a Minnesota weekly whose son insists on coming into the house with his skis on.

—:—

Oddly enough, the director of the Philadelphia marriage council, listing the six most basic causes of divorce, fails to mention this one that pops up in Detroit: she says he complained her potato peelings were too thick.

Another thing we can't quite get straight about politics—if one party accuses the other of being a party dedicated to one class, doesn't that mean that the first party is dedicated to some other class?

—:—

A new kind of paper that does not rattle is described as ideal for use by radio and television broadcasters—especially the comedian who likes to jot down his ad libs in advance.

—:—

It's fine for the high school boy to learn to speak French fluently, as long as he realizes it means that if the army finds out about it he'll be sent to Japan for occupation duty.

—:—

An optimist is a man who can be riding a streetcar to work at 7 o'clock of a frosty morning and convince himself that he must be a success because he has so many close friends who are vacationing in Florida.

—:—

It hardly seems fair to expect the new football coach to bring some varsity players along with him, when a newly hired Greek professor is not required to show up with any first-string scholars in tow.

Public Remains in Dark on 'New Look' Plan To Fight Attack by Communists

By JAMES MARLOW

WASHINGTON (AP)— Lester B. Pearson, the Canadian foreign minister, and Adlai Stevenson, the Democrats' defeated candidate for president, both express concern about the Eisenhower administration's "new look."

That "new look" is the administration's plan for handling Communist attacks. What does it mean? That's getting less easy to answer. The President, Vice President Nixon, and Secretary of State Dulles have all talked about it.

Instead of clearing it up, they've clouded it up. Dulles announced it in a Jan. 12 speech. He said this government had decided, if the Communists attacked anywhere, then:

This country would depend "principally upon a great capacity to retaliate, instantly, by means and at places of our own choosing." He said this meant more security cheaper. Stevenson sarcastically called it "more bang for a buck."

The word "instantly" seems clear, or it did at the time. But a "great capacity to retaliate" could only mean the Air Force and the Navy with its air arm.

—:—

THE ARMY IS being cut down. Yesterday Gen. Matthew B. Ridgway, Army chief of staff, said he was particularly concerned the "new look" plan might so weaken the Army it couldn't face up to Russia's growing military strength.

In practice, what would the "new look" mean? No one has explained that fully. Suppose the Chinese Communists attacked the French in Indochina. If American troops were sent into the jungles to help the French, it would mean the Chinese had chosen the place to fight, not the United States.

But Dulles said this country would do the choosing. Would his plan of instant retaliation mean, perhaps, ignoring the Indochina Battlefield and bombing China itself? That might mean war with Russia too, and World War III.

But at his news conference last Wednesday President Eisenhower said this country would never get involved in World War III without a formal declaration of war by Congress. That couldn't be done instantly.

—:—

SUPPOSE THE CHINESE attacked Indochina and Eisenhower wanted to retaliate by attacking China but first referred the question to Congress? There'd be long debate before a step was taken that might mean world war.

What happens then to Dulles' talk about retaliating "instantly?" Nixon, in a nationwide broadcast last Saturday night in answer to questions by Stevenson in a broadcast the previous Saturday night, explained:

"We decided we would not fall into . . . traps. And so we adopted a new plan, and that new plan, summed up, is this: rather than let the Communists nibble us to death all over the world in little wars, we would rely in the future primarily on our massive, mobile, retaliatory power which we could use at our own discretion against the major sources of aggression at times and places that we can choose."

This was approximately what Dulles had said. But in his speech Nixon repeatedly complained that while communism made gains during President Truman's term, "not a single Russian soldier was lost."

What would he do, for instance, to make the Russians pay in soldiers in their own back yard? He couldn't suggest attacking Russia unless he wanted World War III. Would Congress consent to that? Yet, Eisenhower said this country would not get into such a war without congressional approval.

—:—

AND IF RUSSIA saw Congress debating about an attack on her, would she wait patiently to be attacked? Hardly. And if Russia attacked, she might try to bomb American cities but would almost certainly bomb the cities of American allies in Europe. So American allies have a stake in the "new look."

Pearson made that clear yesterday. He said Canada and the Western Allies must be consulted fully before the United States makes any decision to "retaliate instantly" against an aggressor.

Stevenson not only raised questions about the "new look" in general but about something else Dulles said in his Jan. 12 speech. Dulles had talked about putting more reliance on "deterrent power, and less on local defensive power."

"Is this," Stevenson said, "a 'new look' or is it a return to the pre-1950 deterrent strategy which made some sense as long as we had a monopoly of atomic weapons together with a strategic air force?"

Last year the administration cut the Air Force, this year started to build it up again. The most recent statement on the "new look" comes from Adm. Radford, chairman of the Joint Chiefs of Staff, who says it means the enemy is being told that if he attacks on place, this country might slam him some place else but not necessarily with atomic weapons. This doesn't add much to public understanding.

VEEP PONDERS DRAFT. Former Vice President Alben W. Barkley raised his hand to his head as newsmen told him that the Democrats of Kentucky had decided to draft him to run for his old seat in the U. S. Senate this year. Barkley, shown at Louisville, Ky., told newsmen he had not made up his mind

2 Burned Seriously In Atom Plant Fire

CINCINNATI (AP) — The Mercy Hospital in Hamilton refused today to give out information on the extent of injuries of two men burned seriously in a fire at the Atomic Energy Commission plant at Fernald.

But the manager of the plant, Clarence L. Karl, said in Cincinnati he gave no such instructions to the hospital. The institution said it usually gives a list of injuries to inquirers. The information clerk said the superintendent instructed her not to reveal the extent of injuries.

Byron Stephens, 21, of Lawrenceburg, Ind., and Bert Dwenger, 45, of Batesville, Ind., were burned severely on the face and body in a fire in a dry chemical unit yesterday.

Karl said property damage was small. He said cause of the fire was not determined.

A big oil tanker with 145,000 barrels of fuel oil carries the equivalent of 36,250 tons of coal.

KILLED NEAR MANSFIELD

MANSFIELD, Ohio (AP)—A semi-trailer and car collided on U.S. 42 near Mansfield yesterday, killing Mrs. Genevine Orzechowski, 47, of Cleveland, a passenger in the car.

4-H Club News

CLARIDON

I DO MY BANKING FROM MY CAR!

At WEST TOWN BRANCH
455-459 West Center Street

Drive-in banking saves a lot of time notably in paying utility bills. One check covers water, electricity, gas and telephone services. Most other transactions such as deposits, change, payroll, sales tax coupons are speedily cared for at drive-in windows.

Ample, adjoining parking space with entrances from five streets is provided for those who wish to come inside the bank.

Those not patronizing these conveniences are invited to do so.

TAKE ANY NUMBER

Always brewed the same . . . and good!

IT'S REGISTERED

Don't think it's just a fistful of "look-alikes." These are all magnificent *brewed-alikes!* Every one of them has that "Registered" mark on the label. That means every one of them contains beer that has met the same strict brewing standards—to give you the same keen beer-drinking enjoyment.

It had to be brewed right, brewed the same every time—to be "Registered." Next time, change to Wiedemann's Fine Beer. You'll like it! *It's Registered.*

Certificate of Registration
AMERICAN RESEARCH AND TESTING LABORATORIES
certifies that all beer sold under the Wiedemann name and marked "REGISTERED", with accompanying Registration number, has been brewed under a system of tests and checks which assure uniform excellence of ingredients, accuracy of processing, and proper aging.
We make this certification after examination of the day to day records of 82 separate tests made by Wiedemann during the processing of the beer, and attest that the highest standards have been met in each test. Included are tests for *quality of ingredients, properties of water, purity of yeast, thoroughness of aging, blending, color, uniformity of flavor and bouquet, and efficiency of quality control throughout the packaging operations.*
We therefore authorize The George Wiedemann Brewing Co. to release this beer under our certification, designated by the number assigned to it and registered in our records.
Director, American Research and Testing Laboratories

Your Sunoco Dealer

He's a good man to know better...

Naturally we're proud of him. He greets you at his station. He's a versatile, competent, friendly businessman—one of thousands who choose to sell Sunoco products over all others. We are proud to tell you more about your Sunoco dealer and the way he serves you.

He Owns and Operates His Own Business

...runs his station as he thinks best. If he doesn't own a station, he leases it. He meets weekly payrolls. He buys the merchandise he sells. The profits, after expenses and taxes, are his alone.

He Builds His Future by Serving You

In all kinds of weather, from early morning until late at night he makes it his job to serve you well. He knows quality of service is as important as quality of products.

He Sells What He Believes to be the Finest

From many competitive brands he chose Sunoco products because he first satisfied himself that they would best meet the quality and value demands of most motorists. On the average, Sunoco dealers sell twice as much gasoline as those dealers selling competitive brands.

He Does More Than Sell Gas and Oil

He carries tires, batteries and accessories. Furthermore, he performs many courtesies that most motorists have come to take for granted, from maintaining clean rest rooms to inflating tires and checking your oil level.

He's a Booster of the Community

On the average, he has a high school education or better, is forty-one years old, and is the father of two children. Civic-minded, he's active in affairs—is a churchgoer and often is a member of a businessmen's club

OSU Band To Perform at Green Camp

Concert Unit To Present Program at School On March 26

Ohio State University's concert band will appear at Green Camp March 26 as part of its annual tour through the state.

Under the sponsorship of the Green Camp High School band, the 85-piece OSU band will perform in the auditorium of Green Camp Grade School at 8 p.m. An assembly program will also be heard in the auditorium March 26 at 2:30 p.m. for school students.

The all-student band will visit six cities in its tour March 22-26. It is one of four bands on the OSU campus.

The concert band, directed by Prof. Donald E. McGinnis, is composed of selected men and women musicians. It performs music from the symphonic band repertoire. It includes not only an Ohio tour in its annual activities, but also two formal campus concerts, other Columbus appearances, and a series of four outdoor concerts in May.

The band was one of three organizations which appeared in concerts for the American Bandmasters Association, a group comprising the nations foremost band leaders, which held its 18th annual convention on the Ohio State campus in 1952.

Except for the war period, the concert band has for some 20 years toured the state for a week each winter or spring. It plays for both young and adult audiences to stimulate interest in music and to further the cause of school bands.

TWO MARION-AREA students will play with Ohio State University's concert band at Green Camp March 26. Edward Mathews (left) of Marion and Robert Frost of Kenton are members of the 85-piece band.

Clothing Concern Sued by Customer

OKLAHOMA CITY (AP)—Rudolph Smith sued a clothing concern for $3,000. He claimed that after he paid a 12-cent down payment on a shirt he was notified by the store that he owed $45.19 balance, not $5.98 as he thought.

Smith's petition said the additional $39.21 tacked onto his bill actually was owed by his sister.

He said he suffered "humiliation, embarrassment, anxiety, worry of mind, and mental anguish" —$1,950 worth—when the clothing concern wrote to his employers complaining he had failed to pay a debt.

He also asked $50 to repay him for trips make to Oklahoma City to discuss the account and $1,000 for punitive and exemplary damages.

Saxbe Appoints Area Leaders for Campaign

COLUMBUS, Ohio (AP)—Ross Pepple of Lima and Donald L. Fox of Dayton have been named area chairmen to head the campaign of William Saxbe for the Republican nomination of U.S. senator.

Pepple, state senator from the 32nd District, will be chairman for an area including Williams, Paulding, Defiance, Van Wert, Mercer, Auglaize and Allen counties. Fox, Dayton food broker, will head the Montgomery County district campaign.

India To Enforce Law Banning Untouchability

NEW DELHI, India (AP) — India may put fresh teeth into her constitutional ban on the creed of untouchability.

The lower house of Parliament has accepted for consideration a bill providing up to six months in jail and a fine up to $105 for persons who excommunicate or otherwise injure those who once were outcasts.

The bill provides that courts may order cancellation or suspension of government grants of land, money or other facilities to any church, temple, hospital, school or hotel which refuses to admit an "untouchable."

take off Ugly Fat use Rennel concentrate

I LOST 45 LBS.

JAMESTOWN, OHIO "Rennel Concentrate has proved very satisfactory in helping me to lose weight," writes Mrs. Mary E. Swindler, R.R. 1, Jamestown, Ohio. "When I started using Rennel I weighed 180 lbs. Today I weigh 135 lbs. and feel wonderful. I praise Rennel very highly. Many thanks to Rennel for the improved health I enjoy today."

Ask your druggist for 4 ounces of liquid RENNEL Concentrate. You'll never know a hungry moment while reducing with RENNEL.

Lenten Meditations

This is one in a series of Lenten meditations prepared by the members of the Marion County Ministerial Association for publication in The Star.

No Surprise and No Failure

By REV. BILLY EVANS
Pastor of First Baptist Church at Prospect

We can see now that suffering and sacrifice was no surprise to our Christ, for He told His disciples long before: "Verily, verily, I say unto you, except a corn of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit."

Through all of His earthly experiences, Christ became:

1. The corn of wheat whose world-redeeming love laid Him in the earth on Good Friday:

2. The corn of wheat, which, on Easter Sunday, broke through the soil and began to grow towards heaven;

3. The corn of wheat whose golden stalk ascended to heaven on Ascension Day:

4. The corn of wheat whose ears, rich with myriads of grains, bent to the earth on Pentecost and scattered the seeds out of which the church was born. John 12:24.

Over a deep gorge in Arizona lies a great tree, forming a natural bridge. Ages ago it fell in its prime, apparently a failure. Yet, gradually changed, it is now a tree of solid stone. It has become of noble use and great value, being used by countless human feet to cross the chasm.

Christ, Himself, seemed to be a failure, yet He has become the bridge between earth and heaven, on which His redeemed may pass over. Once rejected, now honored.

Let us worship Him today as our King, our Savior, and our Lord.

PRAYER: O God, our Father, we offer our praises to Thee today because Thou hast given of Thyself for us. Help us, dear Lord, to share our spiritual blessings with those less fortunate than ourselves; we ask this in Jesus' name. Amen.

Would Change Name

WASHINGTON (AP) — The House has passed and sent to the Senate a bill to change the name of Armistice Day to Veterans Day. The Holiday still would be observed Nov. 11.

Must Not Interfere

WASHINGTON (AP)—The Justice Department has told U. S. marshals they must not interfere with news photographers or other persons trying to take pictures of prisoners on the street or in other public places outside federal courthouses.

Morrow Home Inspection Set

Open House Program Will Be This Weekend

MOUNT GILEAD — Open house at the Isadora Davis Parsons Children's Home in Mount Gilead will be held Saturday and Sunday.

The new Morrow County Children's Home, completed late last year, will be open for inspection from 2 p.m. to 6 p.m. on both days. Plans for the formal dedication program, if any, will be announced at a later date.

The home, built under the terms of the will of the late Charles Ellsworth Parsons in memory of his wife, actually opened on Oct. 1 for the reception of children. There are now nine children at the home which has a capacity of 10. Mrs. Fred Corwin is the home superintendent.

The controlling board includes Mrs. Carol Dodds, county welfare director; and the county welfare board consisting of the following: Dr. Stanley Brody, chairman, Mrs. Harley Bachelder, Mrs. Ernest Wilson, Judge John McMillan and Prosecuting Attorney Gale B. Weller.

On the building commission for the home are: A. A. Baker, Henry Baker, Roscoe Dennis, J. N. Stone and county commissioners, H. R. Fate, Goorley Rhodebeck and Walter Hardesty. Hardesty is the chairman of the building commission.

Richwood Girl Wins Cap of Student Nurse

Miss Marlene Graham, daughter of Mr. and Mrs. Chester Graham of near Richwood, received her nurse's cap in the capping exercises held Feb. 26 by the City Hospital School of Nursing at Springfield. The occasion marked the completion of the six months pre-clinical period for the class. Miss Graham's "Nightingale Lamp" was lit by her "big sister," Miss Johanne Cameron, a former Richwood resident who also is enrolled in the school.

Attending the exercises were Mr. and Mrs. Graham and daughter Ruth, Mr. and Mrs. M. L. Tilton, Mrs. D. W. Wasserbeck, Mrs. H. L. Beaver, Miss Pat Parrott, of near Richwood, Miss Joan Moseley of Ostrander and Miss Patricia Graham of Columbus.

Plan 10-Day Recess

WASHINGTON (AP)—House leaders have tentatively decided on a 10-day Easter recess from April 16 to April 26.

New Jelly-like Formula Knocks Baked Grease Off Oven Surfaces

"ITS" is the name of a new oven cleaner that restores oven surfaces to grease-free newness without scraping or scrubbing.

The substance is brushed on, allowed to stand, then wiped clean with water.

"ITS" oven cleaner is available at UHLER'S for $1 and this includes a plastic brush. "ITS" is non-inflammable and spectacular in performance.

Monkey Makes Fine Pet

ANDY, THE PET silver monkey of Shelbie Kelly, 16, of 126 Fies Ave., wears a dress while posing for his picture.

"I wouldn't take a fortune for him." That's the value 16-year-old Shelbie places on her pet.

Shelbie read in The Star March 1 about the Pixie, the pet rhesus monkey owned by Bill and Betty Beard of Upper Sandusky. So, she wrote The Star a letter telling all about Andy.

He—and that's what he is even though he's wearing a dress in this picture—is a silver spider monkey, about two feet high and weighing 10 pounds. He was quiet at the time of this picture taking but when out of his cage he is generally very active, climbing affectionately over Shelbie and her mother, Mrs. LeRoy Lehman, or playing on a rope especially erected for his pleasure.

Shelbie purchased Andy while visiting in Indianapolis. He cost her $75, but Shelbie thinks he is worth much more. She says Andy is very affectionate with women but doesn't take too kindly to men.

He lives in a special cage and is let out each evening to romp with Shelbie and her two dogs. He eats about what the family does and washes his own face with a washcloth, all of which makes him, in Shelbie's words, "one of the best pets you could have."

Godfrey Files No Appeal From Decision by CAB

WASHINGTON (AP)—Arthur Godfrey loses his wings for six months today.

The Civil Aeronautics Board said the six-month suspension, on a charge of reckless flying, becomes effective in the absence of any appeal being filed before yesterday's deadline.

Godfrey, while denying the reckless flying charge, said he would accept the ruling against him. He was accused of buzzing the Teterboro, N. J., airport with his twin-engine DC3 Jan. 7.

Traffic accidents killed 38,300 people in the United States in 1953.

Emmanuel Church Campaign Closes

Close of special evangelistic services at Emmanuel Baptist Church was marked Sunday night, with tally of more than 50 "decisions," with 10 of these seeking baptism, Rev. C. E. Hershey, pastor-evangelist, reported. The rite of baptism will be conducted next Sunday night.

At the closing service of the series, Rev. Hershey's message was on "Who Are the Heathen?" He pointed out that there are many heathen people throughout the world though there are many kinds of religion. From the world situation, he moved to the "home vicinity," dealing with law breaking delinquency compiled by local authorities on the subject. The great fault arises, he said, because people instead of taking their children to church either send them by themselves or not at all, and listed the solution to the problem as "accepting God's plan of salvation." Special music was by a group from Cedarville Baptist College with students telling of the work of the newly re-established school.

Your NEW TELEPHONE DIRECTORY

Will Arrive This Week!

More Useful Than Ever

The new telephone directory includes many new telephone numbers of your friends and business acquaintances. Each new telephone listing included makes your telephone that much more useful.

Saves You A Call To "Information"

With this up-to-date directory beside your telephone, you will be able to find almost any number—without the trouble of calling "Information".

Bigger Directory Shows Telephone Growth In The Area

Each year, the list of names in the telephone directory grows longer. More new homes, more new households, more businesses! The directory is a good indicator of the telephone growth of communities represented in it.

Green Camp PTA Plans Fun Night Event Friday

Green Camp PTA's Fun Night program will be held this Friday at the school.

Three talent shows will be provided by students of the fifth, sixth and seventh grades. Programs in various rooms will be directed by the room mothers. There will be a grab bag in one room and a fish pond in another.

A dinner will be served beginning at 6:30 p.m. and at 9 p.m. the junior and senior classes will sponsor a square dance in the old gymnasium.

The finance and budget committee, comprised of Charles Carr, John H. Mills and Mrs. Marie Dilsaver, ha charge of the event.

Father Goes to Prison For Beating Infant Son

GRAND RAPIDS, Mich. (AP)—Superior Judge Thaddeus B. Taylor sentenced a young father for child cruelty, commenting that "it would be right to punish you at a public whipping post."

Robert J. Schwander, 21, was given one to four years for beating his 10-week-old son last December. The boy was hospitalized with body and facial bruises.

Schwander said he was trying to "discipline" the baby for crying.

No Gimmicks! A Bona Fide Offer!

Never before offered in Marion...

WE WILL GUARANTEE YOU A NEW TIRE AT NO CHARGE IF

You Break This Goodyear NYLON DELUXE TIRE before the tread is worn smooth

NO TIME LIMIT We do not have any exceptions in the fine print in this ad

Your old set of tires is worth **NO LESS THAN $20** (For a set of 4 in trade)

ON A SET OF GOODYEAR NYLON DELUXE TIRES

as a special introductory offer —they will cost you no more than regular first line tires

Offer for a limited time only—so come in tomorrow for your special deal

The tire sensation in 1953! Now Goodyear announces still greater improvements!

New 1954 All-Nylon Cord Super-Cushion

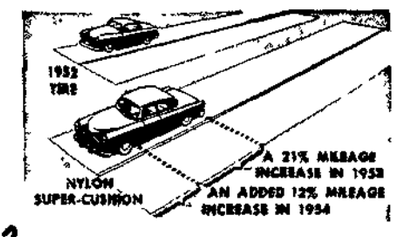
All-Nylon Cord! Up to 80% stronger than standard tires!

And now! 3 great 1954 Extras!

- ✔ Even more mileage than last year!
- ✔ Much greater skid protection than in 1953!
- ✔ Quieter ride—less squeal on turns!

COSTS ONLY A FEW DOLLARS MORE THAN A STANDARD TIRE! NO OTHER TIRE AT OR NEAR ITS PRICE CAN MATCH IT!

1 **Hits test curb at 55 mph! Not a cord broken!** This is just one of the punishing tests this All-Nylon Cord Super-Cushion has taken! In fact, impact blowouts are almost unheard of with All-Nylon Cord Super-Cushions



2 **Up to 12% more mileage!** This mileage boost comes right on the heels of a 21% increase in 1953 Total almost ⅓ more safe mileage than most motorists ever experienced before! That's real money in your pocket in reduced driving costs

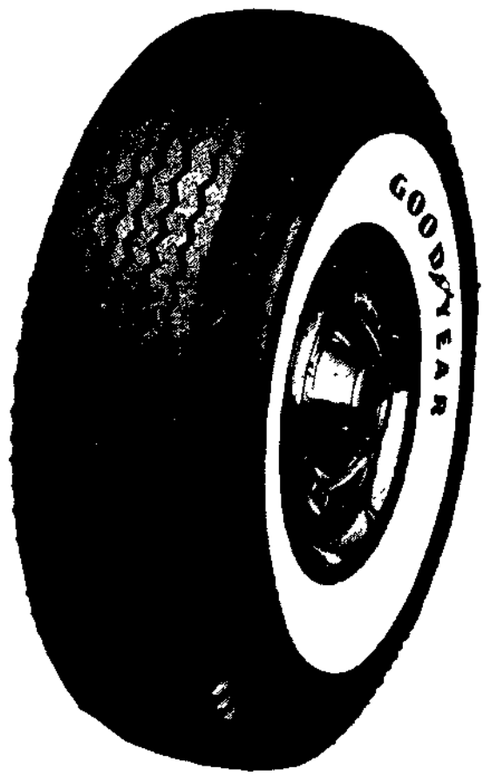
3 **Quieter ride! 15% greater traction!** That squeal on turns has been practically eliminated by a new anti-vibration tread design And this new tread has 806 inches of nonskid edges 380 deep-cut safety slots for 15% greater skid resistance You'll get quicker, safer stops, better skid resistance with this new tire.

There's a big difference in Nylon cord! *Only Goodyear has Triple-Tempered 3-T Nylon!*

Nylon is the best tire cord—**if the stretch can be controlled** Nylon is naturally stronger, pound for pound, than steel, it makes a lighter weight, cooler running, longer wearing tire But unless properly pre-conditioned, **Nylon stretches under tension**

To control the stretch in Nylon cord, Goodyear has developed an exclusive process of chemically treating the cord and then putting it through a triple-tempering process involving Tension, Temperature and Time The result—Goodyear's Triple-Tempered 3-T Nylon Cord—the Nylon cord that is fully controlled at its point of maximum strength and resiliency

Be sure your Nylon cord tires are made with Triple-Tempered 3-T Nylon Cord—and that means **Goodyear!**



MORE PEOPLE RIDE ON GOODYEAR TIRES THAN ON ANY OTHER KIND!

But No One Wants War

This story is being told now, instead of the one about the worker who wanted World War II to go on forever because of the overtime—but made the mistake of saying it in the hearing of a mother whose son had been killed in Normandy:

An American father who wanted a son to come home from Korea now is complaining because two other sons have been laid off in factories.

There was bound to be a violent reaction from last year's truce in Korea. The United States had kept a boom going for nearly 15 years on momentum generated by the killing of millions of soldiers and civilians and the destruction and waste of billions of dollars' worth of property and equipment.

When World War II ended, the shock to industrial production was cushioned by a seemingly insatiable demand for goods which had been in short supply. Except for a slowdown which piled up unemployment in 1949 to somewhere between four and five million workers, the war boom bonanza was still yielding its riches.

Moreover, what the United States could not afford to buy it was able to send abroad as foreign aid—more than 41 billion dollars' worth from mid-1945 to the end of 1952.

But the rate of foreign aid has been diminishing, along with the rate of direct military spending. When the Korean war ended and the casualty lists stopped coming, the war-boom pressure went out of inflation.

There is no substitute for the wholesale waste of life and property in war to stimulate industrial production.

All those who now are talking and writing as if the Eisenhower administration were to be directly blamed for unemployment —though unemployment is not as high as it was in 1949 before the Korean war started a new round of war-boom inflation—need to bear in mind they are indirectly blaming the administration for not keeping the United States at war.

The only conceivable way to revive the war boom of the forties would be to start another war.

The Big One

Watchful eyes somewhere else in the universe may know more about the next nuclear-fission explosion in the Pacific than you will know as an earthling. In the universe, there are no top secrets. Information is in the public domain.

The next explosion is going to be "the big one." It will be so big that the problem is going to be to encompass its magnitude. That is why it may be easier to keep track of it in interplanetary perspective, where the earth itself is small enough to be observed in its entirety.

When the "biggest one" finally is detonated, some creature of unknown nature peering at the good old earth through the cosmic haze may turn to his companion and say, "I just saw a flash and then the earth sort of seemed to come apart in space."

The "biggest one," of course, may not be ours.

This is pure conjecture, the kind of conjecture bound to become more common as atomic explosionists set off bigger and bigger ones in their grim contest. If they finally reach the goal they're striving for — the definite blast, so to speak—secrecy will be eternal.

A few observers on other planets will note that something mysterious happened to the good old earth; that will be all.

100 Senators

While considering whether or not to throw away your old flags and order new ones with 50 stars, it is historically proper to consider what is putting so much pressure behind the proposed addition of Hawaii and Alaska to the 48 present states.

The pressure can be traced to this fact: Both new states would have two U.S. senators —a total of four, bringing the membership of the Senate to 100.

If one of the two major parties could win three of the four new senatorships, the existing deadlock in the Senate would be broken. This is where the political plot begins to thicken.

Exigencies of practical politics have forced over-rapid admission of new states in the past, particularly during the struggle over slavery. But there is no positive way of knowing what newly-enfranchised voters in Hawaii and Alaska might do in 1954.

On the basis of the delegations they have sent to Congress, Hawaii is strongly Republican, Alaska strongly Democrat. That is why Republicans were mainly interested in admitting Hawaii. It is why Democrats' insisted that Hawaii should not be admitted without Alaska.

As the debate has droned on, however, it has become increasingly plain to nonpoliticians that both Hawaii and Alaska would be dealt with more logically if Congress gave them commonwealth status, the same as it has given to Puerto Rico.

Less than 10 years ago, Puerto Rico also was being talked about as a potential state, along with Hawaii and Alaska.

Important Point Missed

By David Lawrence

Flanders' Warning to State Dept. Overlooked

Just last Wednesday at his press conference President Eisenhower was saying that he had appealed to everybody he could reach with the sound of his voice to give less attention to subjects that are unworthy of occupying our time from morning to night.

This observation was followed by another comment from the President backing up that part of a speech which Sen. Flanders had made in the Senate the previous day also deploring the attention which the McCarthy controversies were being given while much more serious situations in the world were being overlooked.

One would have thought that in an executive department subject to the discipline of the President, Eisenhower's advice might be heeded. But the very next day unbeknownst to the Republican members of the Senate subcommittee on investigations, the Department of the Army slipped to the Democratic members of the same committee a report containing sensational charges.

These concerned the activities of members of that committee's staff in allegedly seeking favored treatment for a former member of their staff now serving in the Army.

Naturally the document was leaked to the press.

-:-

THE ANTI - McCARTHY partisans welcomed it as a devastating report that would thereafter squelch the Wisconsin senator. But within a few hours Sen. McCarthy and the staff of the Senate subcommittee came up with a report containing counter - charges of just as sensational a character hinting at an alleged blackmail attempt on the part of the Army's legal officer so as to get the committee to take the heat off the Army on the communist issue.

Much of the testimony on this point was written by Francis Carr, now a committee staff member, but formerly a supervisor in charge of an important desk in the New York office of the Federal Bureau of Investigation.

Did anybody in the Eisenhower administration think that all this was going to keep the McCarthy controversy off the front pages and that attention wasn't going to continue to be diverted from other serious matters?

Certainly the Senate now will have to investigate and take testimony under oath from everybody involved—Secretary Stevens, John G. Adams who is his legal counsel, Sen. McCarthy, Francis Carr, Roy Cohn, and anyone else whose name is mentioned in these two conflicting reports.

It may require the public disclosure of any other diaries which the Army may be keeping on what other senators and representatives have been asking for at the Pentagon for their constituents.

But in the midst of it all most everybody including the President seems to have overlooked a very important section of the speech by Sen. Flanders.

Although they reported fully the attack which Flanders made on the Wisconsin senator, the wire services did not report fully the sensational attack which Flanders also made on some of the Eisenhower administration's foreign policies.

-:-

THE FOUR PARAGRAPHS of the Tuesday address of Flanders —which Eisenhower was not asked about at his Wednesday press conference — are as follows:

"When he (McCarthy) and we look outward, what do we see? We see defeat in Korea, and the Iron Curtain moved down to the truce line by force of arms, in defiance of the principles and purposes of the United Nations. We find the same aggression pursued in Indochina, with our country assigned to play the part of a supporter of colonialism, and persuaded to enter into negotiations which are foredoomed to parallel, to a greater or less extent, the forcordained conclusion of the Korean truce.

In Europe we see Italy ready to fall into Communist hands. We find France irresolute, palsied in thought and action, with her Communists well organized and sure of their ground. Saddest of all we see Great Britain nibbling at the drugged bait of trade profits, which benumbed her judgments when Japan moved into Manchuria and Mussolini moved into Ethiopia. Then followed, in logical sequence, the fall of the Rhineland, Austria, Czechoslovakia, and Poland in the second World War.

"Let us look to the south. In Latin America, there are sturdy strongpoints of freedom. But there are likewise, alas, spreading infections of Communism. Whole countries are being taken over. Other countries, not yet captured, are undergoing relentless infiltration.

"There is little need to spotlight the other trouble spots in Asia and in Africa. If this massive advance is not stemmed, our future place in the world is clearly forecordained. The Iron Curtain, now protecting Communist countries, will be drawn about the United States and Canada, the last remnants of the free world. This will not need to be accomplished by defeating us militarily. It will result from the capture of the rest of the world by infiltration and subversion. We will be left with no place to trade and no place to go except as we are permitted to trade and to go by the Communist masters of the world."

-:-

NOBODY HAS better stated the importance of the objectives of the various congressional committees of the last 20 years in their burning desire to expose the "relentless infiltration" of the Alger Hisses, the Harry Dexter Whites and the Klaus Fuchses inside the American government.

Certainly this is the best anti-"red herring" statement that has come from anyone in recent months and in it can be read a veiled warning that maybe the State Department has within its ranks even today some appeasers who want to sell America out at the forthcoming Geneva conference.

(New York Herald-Tribune Synd.)

Going to the Wolves

By TRUMAN TWILL

I have been reading and rereading everything published about India's "wolf boy," with a view to deciding whether or not animals could be trusted with children.

The decision has been made tough by a quarrel which has broken out in India between medical authorities, some of whom pooh-pooh the theory that a misshapen child found in a railroad freight car was reared by wolves. They seem to think that is an insult to the wolves.

The wolf theory has nothing behind it but the circumstantial evidence that the little creature can make only wolflike sounds, is ravenous when given a chunk of raw meat and only mildly interested in other food and shows no signs of ever having walked erect.

But this evidence does not bar the possibility the "wolf boy" might have been raised by his own kind. And it does not exclude the possibility that lower animals, in their own way, might do a pretty good job of raising human children.

At least they would not take advantage of their youthful innocence by teaching them to use habit-forming drugs, which is one of the standard behavior patterns among humans.

No self-respecting wolf, bear, lion, tiger, or oorang - outang would teach a child to do serious injury to or inflict death on any living thing except for some purpose at least as worthwhile as satisfying hunger.

In the realm of the dumb animals, there are no evil monsters who will pick out the innocent young to be trained in the ways of sin while their little minds are still tender and impressionable.

No one ever saw an animal beating one of its own young for the sheer pleasure of inflicting pain while asserting superiority.

No one ever saw an animal mother who would walk off and abandon a helpless offspring on somebody's doorstep.

There is no such thing among the lower creatures of the earth as giving the rising generation the foolish idea that the world is composed entirely of catnip, steak bones, baby birds, or tender mice. It has been left entirely to humans to mislead their siblings with malarkey about being able to survive without coming to grips with reality.

The lower animals know when it is time to make a fuss over their young and when it is time to let 'em alone. They know when it is time to furnish them with the wherewithal and when it is time to make them scratch for themselves.

Of course, there are some things the animals don't do particularly well, such as education. Animals know nothing about Latin, for example, though they are proficient in the ways of their own kind.

They speak only one living language, but among themselves they have reduced it to understandable proportions.

They know nothing about patent medicines, psychiatrists and clinics, but they know enough to nibble grass in the springtime and when to back away from the table at mealtime.

It remains to be seen how India's "wolf boy" will turn out. He may have been raised by humans after all. Sometimes it's impossible to decide whether the wolves couldn't have done as good or a better job.

Daily Bible Thought

If we followed this commandment it would revolutionize social relations beyond the utmost sweep of the imagination. It would bring heaven down to earth. "This is my commandment, That ye love one another as I have loved you."—John 15:12.

Stepping Nearer

Atomic Age Revolutionizing Scotland

By Geoffrey Winnington

DOUNREAY, SCOTLAND

In a white stone cottage, lit by oil, heated by peat and swept by the winds from the Pentland Firth, lives the "Bard of Dounreay," 81-year-old Harry Henderson, postmaster, poet and sage.

With the 40 other crofters in this tiny hamlet he has spent most of his life scraping a living from the few acres of a Scottish peasant tenant. Life in the northernmost barrens of Scotland has changed little since the Norsemen, first named the place Dun Urra.

Now this world of yesterday will be invaded by the world of tomorrow, for on these flat acres Britain will build her new, and greatest atomic energy plant.

Besides the ancient well of Knoc-uishag — Gaelic for "well of the hills" — now grazing land for sheep and shaggy highland cattle, will rise an atomic dome that will feed energy into the national electric system.

-:-

SIX HUNDRED men will work in the dome, which will become a landmark for miles along the northern coast. Their installation will mark a long scientific advance for Britain over the plant at Calder Hall, in Cumberland, the first atomic unit planned to supply electricity on a commercial scale.

Dounreay will be a station of the "breeder reactor" type, using plutonium as fuel. Britons have been warned the new power source comes just in time, for coal supplies are dwindling, and the country has little water power.

What does Henderson think of the plans for 2,000 workmen to begin building the "dome" soon, with completion due in several years?

The "Bard" — a title he earned as a local poet and chronicler — doesn't like the idea.

Sitting up up in his cot, and by a blazing peat fire, Henderson, gray-haired and weather - beaten, put down the diary he has been writing daily since 1897 and sighed.

"Crofters here have feared this because they may have to give up their land and leave their homes," he said.

"They are building this place 500 yards from where I sit. They may want my land or they may not. But the thing is too powerful and too frightening to live near. I shall go away, in spite of my age.

"I have reared seven fine sons here. Most of them are crofters in the district, and I think most of them will move. We will find land elsewhere, and although I realize that this plant is for the good of the country and we will go willingly, to us this scheme is a tragedy."

-:-

A NEIGHBOR, Morris Pottinger, 24, and newly married, disagreed.

He scoffed at the idea of moving unless his land is needed. "I am not worried," he said. "If 600 men can work inside the dome I can work happily outside."

Dounreay was chosen as the site for the new station because it fulfills all the conditions laid down by Sir Christopher Hinton, Britain's deputy controller of atomic energy production.

The site must have a plentiful supply of fresh water. Dounreay is five miles from Loch Calder, which, it is estimated, could produce 6,500,000 gallons daily.

It must be near the sea, but it must have a fair-sized town near by. Dounreay is on the coast, eight miles from Thruso (pop. 3,200).

In Thurso, where half the town is still lit by gas, the announcement of the new plant promoted visions of prosperity.

THE TOWN CLERK, T. L. Robertson, said "We discussed this matter at the council meeting and the members were unanimous in welcoming it. Obviously, it will mean increased prosperity for Thurso.

"It points the way to a great future for the town and Scotland. It has been suggested that houses for the workers should be built at Scrabster Harbor, two miles from here on the road to Dounreay, but we would like to build them in Thruso itself.

"We have the sites and we could start building tomorrow, although now we have more than a hundred people on the housing list.

"But many problems will arise. For instance, schools could not take any extra children, and the only place of entertainment we have is a 400-seat cinema."

Sir David Robertson, MP for Caithness and Sutherland, has been touring his constituency explaining the scheme, which he has encouraged so energetically in the House.

He regards the new plant as the beginning of the second industrial revolution. "We missed the first one," he said. "It passed us by completely because we had no coal. Now we have power. We will have more power than anyone else in Europe to begin with, and probably for all time."

Enchantment in Decibels

By MARK DANA

The American Museum of Natural History in New Yor has murmured proudly, in a public statement, in commending a 12-inch long-playing record made up entirely of the sounds of animals, birds, insects and even rattlesnakes in the Great Southwest.

The museum's plug implies that there must be many city folks whose lives will be barren until they can hear calls from varied birds, the "purring of a mountain lion, the hooting of a horned owl and the stridulations of a cricket" —that is an Arizona cricket, not just a faintly chirping cricket. The museum calls such things "sweet music," recorded ta delight "persons lonesome for the land of wide-open spaces."

Any lonesome person buying the record will get a pamphlet which shamefacedly admits that "the significance of all animal sounds is not completely understood by science." This is a pleasant understatement, of course. Many nonscientists are sometimes unsure whether a dog's barks mean he is happy or working up his courage to bite.

It has been presumptive, even without the museum's kind explanation, that birds and animals make sounds which are not just mating calls, and probably are in their best voice when far from feeling romantic.

Yet if, Arizona's sounds are worth recording for posterity and lonely persons lacking the fare to go there, why not extend the lovely idea. There must be former New Yorkers, now dwelling in Salt Lake City, who would play a recording of Manhattan's cacophony for hours at a time.

One can visualize booster clubs of many areas wooing new residents with this sound practice (pardon), with of course the humming of mosquitoes thoughtfully erased.

Gems of Wisdom

The work an unknown good man has done is like a vein of water flowing hidden underground, secretly making the ground green.—Carlyle

GRIN AND BEAR IT By George Lichty

"Young man, good dancer, excellent horseman, neat, nice looking. Not lazy. Just tired. Wants job. Little work, lots of money. Prefer lady with means. Go anywhere, do anything. Box 1788 Star News "—Pasadena Star News . . . Just that old-burning zeal to make good.

-:-

It seems to us that "Dragnet" should put on a probe to see what they did to Art Carney on his routine for Jackie Gleason.

Carney is one of the country's funniest men when he has the chance and is equal to almost any occasion.

When the TV audience saw him in just two sketches, neither of which afforded him the moods or routines in which he shines, more than one vidiot cried, "They can't do this to our Jackie! Notify the Homicide Bureau at once!"

There wasn't a shadow of the domestic angle, the sewer inspector interludes, the tenement dweller or quick-lunchrobm phases through which Carney has become one of the most famous airwave comedians. It was something like what they did to that premier over in Egypt. And Carney will come back just as fast.)

Venice is in a hassle over a proposed modern Frank Lloyd Wright mansion on the Grand Canal opposite the Palace of the Doges. . . . Include us among the remonstrants.

The beauty of Venice lies in its traditional mood, and a Frank Lloyd Wright house no more fits into the scene than would Mr. Wright zooming up and down the Canal on water skis.

The late Will Hays was an effective movie censor, not merely a glamor boy with a smooth line. He came into the picture through the Fatty Arbuckle case.

Grand line in the Chodorov-Fields new comedy "Anniversary Waltz" about a home busted up by TV comes after the husband has kicked two TV sets to bits and the donor of the second set, expressing resentment, gets the retort, "This last set wasn't your gift. Yours got eliminated in the semifinals." Howard Smith as bibulous father-in-law comes close to stealing the show, although everybody in it is wonderful including Kitty Carlisle, MacDonald Carey and two extra appealing kids, Warren Berlinger and Mary Lee Dearring.

The New York Annual Flower Show was held in such an enormous exhibition hall this year that the bumblebee had to cover it in two shifts.

"Don't kill the goose that lays the golden egg," pleads George Morton Levy, head man of a trotting empire in replying to proposals for a big increase in state taxation. . . . But this goose, George, got into trouble through laying golden omelettes and delivering 'em by armored cars.

"You have the power to give harness racing a sleeping pill forever," Mr. Levy adds. . . . Tush, tush, Mr. Levy; you're so resourceful and alert you could build a single sleeping pill into a superspectacle, make sleepwalking a top sport and cheer up politicians everywhere.

Pardon Sought By Yank Levy, 'Master Killer'

Man Who Taught GIs Guerilla Warfare Art Seeks To Clear Name

HARRISBURG, Pa. (AP)—Pennsylvania's Pardons Board will be asked to consider the pardon plea of Yank Levy, master of the "quick, quiet kill," who once taught American GIs the niceties of guerrilla warfare.

Levy became best known in the early 1940s as a former soldier of fortune—he fought in Palestine, Transjordan, Mexico, Nicaragua and Spain—and as an active instructor in guerrilla tactics for both the British government and the United States. A book he wrote still is considered one of the best published manuals on the subject.

This is Levy's story as it comes from the Jewish Committee for Personal Service in Los Angeles and Philadelphia's Jewish Family Service:

He is now confined to a Los Angeles hospital, suffering from arthritis. A social worker's report stated his principal aim in life is a "clean record."

Back in 1927, Philadelphia police arrested five men and women on charges they were responsible for a series of holdups. The authorities said in the apartment where the five were seized they found also a small arsenal of weapons.

Levy and the others were brought to trial. He was convicted and was sentenced to a 25-to-50 year sentence. He served six years and then was deported to his native Canada. From there he moved on to Spain and the life of a guerrilla.

On the strength of his record, the British hired him to teach his art to members of the Home Guard. Then, the U. S. used him as its first instructor at a school for guerrilla warfare.

After World War II, he contracted arthritis. His savings from his book and lecture tours dwindled because of his mounting medical expenses. That was his status when the Los Angeles social agency found him—broke. And he wanted above all else a "clean record."

The Los Angeles committee contacted the Philadelphia Jewish Family Service. Atty. Hanley Rubensohn, a member of the service's personal aid bureau, volunteered to help. A fund was raised to send Rubensohn to California for a personal talk with Levy.

Rubensohn reported back to the other members of the board he was convinced Levy had paid his debt to society.

That's why Rubensohn came to Pennsylvania's state capital today to argue Levy's case, to ask the Pardons Board to wipe out what Yank Levy claims is the only real blot on his record.

"I NEEDED MONEY." Sheree North, beautiful blonde actress, said in Los Angeles "they promised me $50 per picture, so I agreed to let them take my picture" in explaining how she posed for four short home-type movies. The movies were banned by the postoffice department but the distributors got a temporary injunction ordering mail service restored.

Richwood Couple Plans Observance Of Golden Wedding

Mr. and Mrs. Ray C. Johnson of northeast of Richwood will observe their golden wedding anniversary Sunday with a family dinner and open house at the home of their son and daughter-in-law, Mr. and Mrs. Roy A. Johnson, 109 S. Clinton St. in Richwood.

The couple will receive their relatives and friends from 2 to 5 and 7 to 9 o'clock. A family dinner will be at noon.

The couple were married March 22 in Green Camp with Rev. Levi Davis officiating. Mrs. Johnson before her marriage was Miss Orpha V. Howison, daughter of Albert and Rebecca Howison. She celebrated her 71st birthday Aug. 15. Mr. Johnson's parents were Peter and Mary Jane Johnson. He was 69 years old March 11.

They are lifelong residents of the community and are members of the Central Methodist Church in Richwood.

With them for the anniversary celebration will be their children, Roy A. Johnson, Mrs. Sylvia Lynch of Martel and Mrs. Iva Mae Smith of Cocoa, Fla. They also have four grandchildren, Johnny Johnson of Richwood, Mrs. Donna Loyer, Mrs. Betty Downs and Nancy Lynch and two great-grandchildren, Cal and Becky Jane Loyer of Martel.

High Power Water Gun Perfected by Scientists

LOS ANGELES (AP) — Scientists have created a water pistol capable of shooting a tiny stream of liquid with such speed that it can penetrate four inches of flesh.

The University of California at Los Angeles disclosed yesterday that the device may someday be used to shoot medicine into internal organs and tumors.

Liquid is propelled from a steel chamber through a .005-inch nozzle by an explosive which is detonated by a small heating element.

Some scientists believe that all pronounced near sightedness is hereditary.

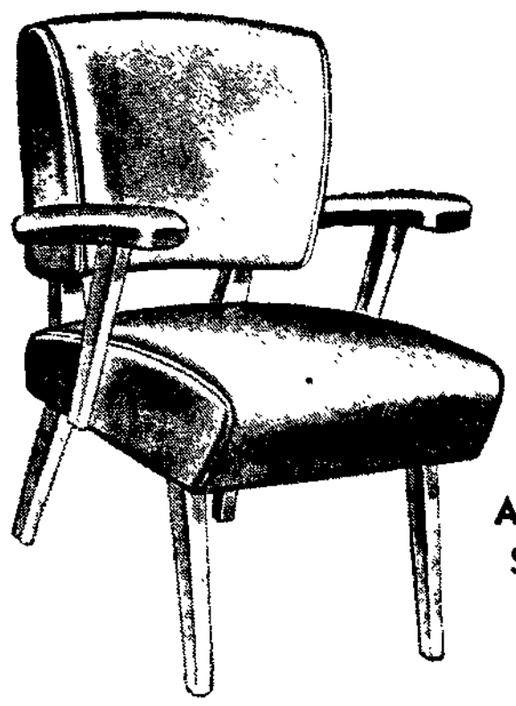
Chairs . . . Chairs . . . and More Chairs . . . at the Lowest Prices Ever!

Lennon's Big SALE CHAIRS

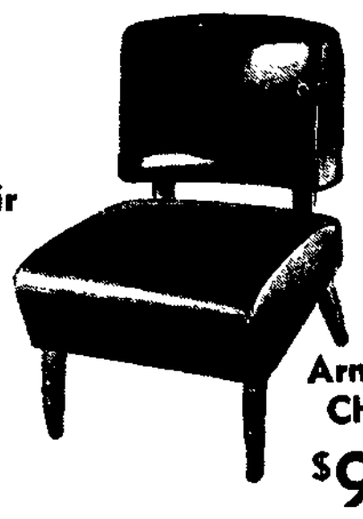
Another big truckload of new chairs has just arrived. TV chairs — Rok-O-Loks — Lounge chairs — Rockers — Swivel chairs — chairs of all descriptions. Whatever your preference you're sure to find your favorite now in Lennon's great chair sale. Hundreds of fine chairs for you to choose from. Chairs to fit Mother, Dad, Sister, Grandmother . . . even the kiddies. Listed here are just a few of the wonderful values you'll find now at your friendly store. Come in. Try them all. We promise you'll find the right one at the right price.



Modern Style Chairs Covered In Rugged Vinylite Plastic

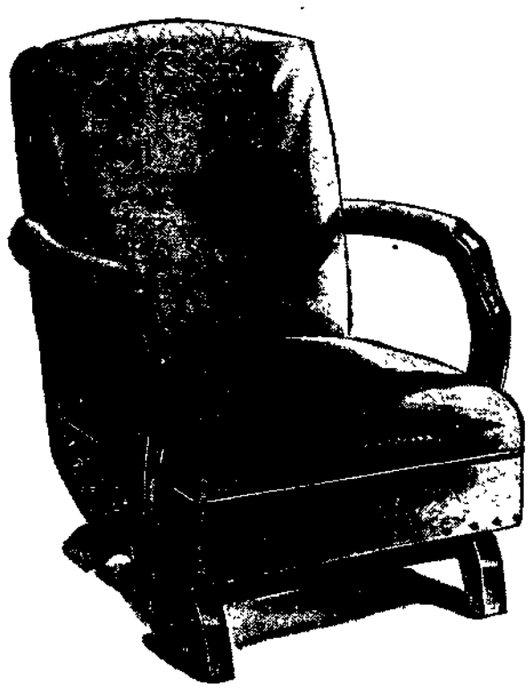
These handsome, luxurious chairs give you loads of comfort and years of use at an amazingly low cost. And they're at home all through the house! The colorful plastic covers wipe clean at the touch of a damp cloth. The frames are solidly built to take even the abuse growing children can hand out. These chairs are perfect for living room, den, bedroom, porch or patio. Arch type springs and corner blocking for plus service. You'll want at least a pair at Lennon's low price.

Arm Chair $12.95



Armless Chair $9.95

In Lipstick Red—Emerald Green—Gray—Chartreuse



Super-Size, Super Comfort
PLATFORM ROCKER

Everybody loves a comfortable rocker . . . and here's one that will fit any person, large or small, short or tall. Mom will be tickled with the easy way she can keep it always looking clean and bright as new. All she has to do is wipe it off with a damp cloth. Radial spring seat for lasting comfort. Heavy base for real stability. A full, gentle rock for perfect relaxation. Your choice of beautiful colors. Save $10 now on Lennon's special price. To save family arguments over who gets to sit in it of an evening, you better buy at least two of these fine rockers.

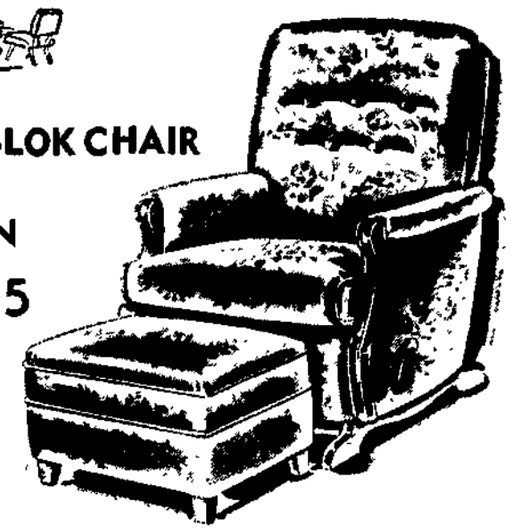
Regularly $29.95
$19.95

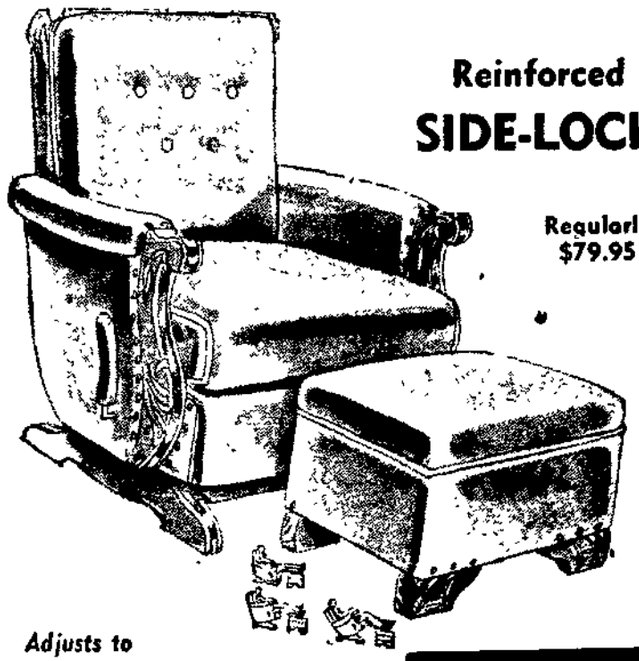
Durable, Washable Covers In All Colors!

NYLON FRIEZE, AIR FOAM ROK-O-LOK CHAIR and OTTOMAN $59.95

Here's one of the greatest comfort and style values in our history . . . a chair Mom — Dad — the whole family will prize . . . at the lowest price ever. Covered with NYLON, the miracle fabric that is moth and mildew proof, sun and fade resistant, washable. Upholstered with coil springs topped with Air Foam for a new sitting comfort. And the matching ottoman is included at this low Lennon price. Colors to fit into any home, too. Use this chair as a rocker, a tilt-back or a lounge chair. Enjoy its comfort for years to come.

Save $20





Reinforced Royal Calf Plastic Covered
SIDE-LOCK CHAIR & OTTOMAN

Regularly $79.95
$59.95
All Colors

This is a man's kind of chair! Plenty of room, rugged, durable construction, yet chock full of comfort. It's a 3-in-1 platform rocker and matching ottoman you can use for rocking, reclining and lounging simply by adjusting the Rok-O-Lok lever on the side. The 9 coil hand-tied spring construction gives you deep, luxurious seating comfort. Both chair and stool are upholstered in beautiful reinforced plastic. It's so long-wearing and so easily cleaned, with all the charm of real leather. Comes in your choice of colors, too, so Mom can fit it right into her decorating scheme. Save $20 now at Lennon's special sale price.

Ohio Weslevan Shows Work of Art Graduates

DELAWARE — The Department of Fine Arts at Ohio Wesleyan University is celebrating its 85th anniversary this month with an exhibit of works by alumni in various fields of art

On display throughout March in the Memorial Union and in University Hall are alumni works in commercial art fashion illustration interior decoration and industrial design

Among the art department alumni who have gone into teaching are Profs Anne Gatewood Van-Kleeck and Richard Wengenroth, of OWU and Emeritus Prof Sallie T Humphreys for many years head of the department Kenneth Hudson dean of fine arts at Washington University, Fred Messersmith chairman of the art department at West Virginia Wesleyan Robert Kiskadden professor of fine arts at the University of Wichita Joseph Schwartz and Barbara Kuhlman of the fine arts faculty at Ohio State University

Some of those in the exhibition are represented by a record of their achievements rather than by actual work This was done because several alumni in art are in supervisory work art directors and elementary teachers

While the art department is 85 years old the university has had academic courses in art for 104 years

PTA Activities

Tonight the speaker at the Oakland Heights PTA meeting will be Karl Ailing school speech and hearing therapist Music will be by a group from Harding High School Time of the meeting will be 7 30.

— —

New Designs and Fabrics Mark Suits

Easter Clothes for 1954 Will Be Influenced by Weatherman

By DOROTHY ROE
Associated Press Fashion Editor

There's a new look about this year's Easter suits that marks them strictly 1954.

First in importance is the fabric, which is lighter in weight than ever before, with colors tending toward pale beiges, grays and off-whites, in addition, of course, to the perennial navy.

Designers have considered our changing weather this year, and have produced spring tailleurs which can be worn almost the year round. Many are dress-and-jacket costumes ,which peel for comfort on warm days.

—:—

JACKETS ARE likely to have open necklines, for air-conditioned coolness, short or push-up sleeves and smooth, fluid lines. The day of the mannish tailored suit is past, with today's accent on curving lines and feminine detail

Shoulders are natural, with little padding. Skirts are slim, for the most part, but the woman who insists on skirt fullness can find it. Width at the top is achieved often by sleeves rounded between shoulder and elbow.

Some of the new dress suits are as soft and flattering as cocktail dresses, with low, open necklines and slim, fitted midriffs. The aim of practically all designers is to accent the natural lines of the figure, and they achieve this goal in varied ways.

—:—

SOME USE curving seams about the bust, others introduce a crushed cummerbund midriff on dressy suits.

In all instances fabrics are light as a thistle, whether they be wools, silks or blends. As a matter of fact, it's hard to tell the silks from the wools this spring, so skillful is the work of the fabric manufacturers. There are nubby silk tweeds that look like wools, and there are gossamer light wools that look like silk.

Even wool tweeds are of chiffon weights this season, with handsome textured surface such as is familiar in heavier weights, but so light that you can see through them.

FEATHER-WEIGHT WOOL. Here's a weather-wise suit for a late Easter in a chiffon-weight Linton tweed in beige and white broken stripes. The short single-breasted jacket has low-necked club collar and three-quarter length push-up sleeves. Slim four-gore skirt has kick pleat in back.

Seniors Are Entertained By Sorority

Seniors who plan to enter the field of teaching following their graduation were guests of Eta Chapter, Delta Kappa Gamma sorority, at a tea Saturday afternoon in the YMCA.

The tea, which is an annual event on the chapter's calendar, was held in the chapel room from 2 to 4 o'clock. The guests were welcomed by Miss Clara Alice Wilson, president, and greetings were extended by Miss Helen May, first vice president and president-elect. Miss May also was in charge of the program which included a talk and pictures shown by Miss Marilyn Field and music by a vocal trio composed of Mrs. Marvin Brown, Mrs. Viola Rinnert and Miss Helen Thew.

Miss Field's topic was "A Teacher Views Europe." She gave an account of her tour of Europe and showed pictures she had taken of the many interesting places visited. The trio, accompanied at the piano by Mrs. Virgil Curl, sang "Ten Little Indians," "Vaya con Dios" and "Young at Heart." In a "get acquainted contest the award was won by Miss Gaye Wise.

Appointments for the tea were in a St Patricks Day theme. Green carnations and huckleberry foliage were in the table centerpiece and on either side were double candelabra holding lighted green tapers. A cornucopia filled with potatoes and miniature Irish Flags, and a green hat completed the decorations. Corsages of green carnations were the guest favors.

Guests were Misses Carol Bachman, Anna Fairchild, Pat Heller, Kiyo Ito, Sondra Scheitler, Karen Syster, Sheila Williams and Gaye Wise of Harding High and Helen McClure of Prospect.

Serving as a hostess committee were Mrs. Marvin E. Brown, chairman, Mrs. Lucille Pessell, Miss Katharyn Smith, Mrs. Beulah Johnson, Mrs. Thelma Wilcox and Miss Edna Dutton.

YESTERDAY'S DIME

HARTFORD, Conn. (UP) — Checking a list of unclaimed bank accounts, James Spicer Jr. remembered one he opened years ago. He got in touch with the bank and records proved he had a dormant account. Shortly afterwards he received a dime, the amount he deposited when he was a fifth grader.

The Army Signal Corps saved approximately $1,700,000 in fiscal 1953 by adopting a new method of doubling the circuit capacity of long-range radio equipment without using additional frequencies.

-:- Church Activities -:-

Speaker for a meeting of the Epworth Methodist Church WSCS Thursday afternoon was Lamoyne Green, superintendent of the Marion Training School. Business meeting and program followed luncheon at noon. Mrs. W. D. McGee was in charge. Mr. Green's talk was on "Who Are Guilty?"

Appointed on a nominating committee were Mrs. W. C. Eyster, Mrs. A. W. Newby, Mrs. Foster Pacific, Mrs. Hugo Malb, and Mrs. Thomas Norton. A letter was read from the Jessie Lee Home at Seward, Alaska, thanking the society for a gift of money sent when Robert F. Williams, a member of Epworth Church, visited Alaska recently as one of an evangelistic team from this country. Plans were made to attend the district meeting in Ada on March 24.

Devotions were by Mrs. Pacific. The speaker was introduced by Mrs. C. H. Bachelder, chairman of the Christian social relations department. Miss Harriet Goodwin sang, accompanied by Mrs. E. N. Hale. Form of the next meeting has been changed, it was announced. This program on March 8 will be at 1:30 p.m., followed by a tea honoring Mrs. Hazen C. Werner, wife of Bishop Werner. She will be the guest speaker. The Missionary education department will be in charge.

—:—

Mrs. Harry Lauer entertained the Missionary Aid Society of St. Paul's Lutheran Church of Prospect Thursday afternoon. Mrs. Myrtle McNeal gave devotions using the topic, "Teach Us Lord How To Pray." Mrs. Gail Lauer was the leader for the topic, "The Christian Life." Mrs. Virgil Lowe conducted the business meeting and also gave a report of the North Central Group held at Bucyrus recently. Rev. Paul E. Dobberstein gave the Bible study.

—:—

Mrs. Henry Long entertained the Harmony Circle of the Prospect Methodist Church Wednesday. Mrs. Long gave devotions. Mrs. Harold Cloud was in charge of the business meeting when plans made for the Lions Club supper. Mrs. Chlora Harper gave the program. Refreshments were served. Mrs. Harper will entertain the circle Wednesday afternoon, April 13.

—:—

For a meeting of the Green Camp Evangelical and Reformed Church Women's Guild Friday afternoon, Mrs. Ivan Reynolds was hostess. Mrs. George Reynolds presided, and devotions were by Mrs. Raymond Baer. Review of "That the World May Know" was given by Mrs. Ed Ruth. Guests were Miss Norma Harper, Miss Judy Reynolds, Miss Terry Baer, Gary Reynolds and Larry Carr.

—:—

A nominating committee for the Trinity Baptist Capen Ho Guild was appointed and names of secret sisters were redrawn when the members met recently. Marjorie Willey was hostess at the C. O. Willey home at 666½ Woodrow Ave. Opening devotions were led by Sandra Askew. Business was conducted by Gwendolyn Epley, vice president. Appointed on the nominating committee were Donna Wymer, Marjorie Willey and Judy Maxim. The program was directed by Sandra Askew with Jeanne Church and Judy Maxim taking part.

—:—

Various phases of the question, "Our Sapnish Speaking Neighbors of the Southwest" were presented at a meeting of the Morral Methodist WSCS recently. Mrs. Clarence Noyes was the hostess, assisted by Mrs. Darius Washburn and Mrs. Mary oWod. Taking part in the program discussion were Mrs. Washburn, Mrs. Frank Haner, Mrs. W. W. Morral, Mrs John Shifflet, and Mrs. Wilson Massie. Appointed on a nominating committee were Mrs. Haner, Mrs Shifflet, and Mrs. Massie.

— —

The Lloyal Daughters Class of the First Evangelical and Reformed Church was entertained Thursday afternoon at the home of Mrs. Albert Rinnert on Prospect Pk. Mrs. Carmi Church, president, presided for the meeting, devotions were conducted by Mrs Rinnert, and 12 members gave Irish sayings in response to roll call. The social hour was spent sewing and rolling bandages for an American leprosy hospital. At the April meeting with Mrs. Earl Klingel on Elmwood Dr., members will give their favorite flowers in response to roll call.

—:—

Mrs. J. E. Holloway of S. Vine St. was hostess to Lydia Circle of Trinity Baptist Church at dinner and a business meeting Thursday evening. Officers chosen for the coming year were: Mrs. C. Forrey, chairman; Mrs. Ralph Wright, vice chairman; Mrs. W. E. Shover, treasurer; Mrs. Nell Markwell, secretary; Mrs. Carl O'Brien, assistant secretary. A bazaar was held with articles brought by the members placed on sale.

GUNMEN GET $6,000

WARREN, Ohio (AP) — Gunmen bound two janitors yesterday and stole about $6,000 from Cafe 422, a restaurant on Ohio 422 east of Warren.

People who live on farms make up about 15 per cent of the population of the United States and have about 5 per cent of U.S. income.

Collection of Modern Paintings To Be Exhibited Here for Week

The Junior Service Guild of Marion County will bring to Marion an exhibition of paintings from the Museum of Modern Art in New York May 30 through June 6. A collection of 40 water colors and gouaches from the museum will be exhibited at the McDaniel Motor Co., 309 W. Center St. for the pleasure of the public with no admission charged.

This exhibition, called a significant and provocative survey of the various modern approaches to the watercolor medium, includes work by important European and American painters.

Beginning with Cezanne as perhaps the most influential forerunner of contemporary art, the other artists represented are Prendergast, Burchfield, Marin, Stuart Davis, Gross, Beckman, Nolde, Kokoschka, Chagall, Dufy, Masson, Klee, Grozco, Graves and Motherwell. Although no attempt has been made to cover all trends in modern art, the selection briefly illustrates the more outstanding of these: post - impressionism, the influential German artist group the Bridge (Die Bruecke), expressionism, social-realism, and surrealism.

The original works of art have been loaned from the museum's own collection and supplemented by loans from artists, private collections, other museums and dealers.

These exhibitions are made possible by the members and trustees of the museum who contribute one third of the program's total cost.

The collection has been shown 6,689 times by 3,345 public and private organizations in the United States and 37 foreign countries since the creation of the department in 1933.

Mrs. Hugh C. Cregg Jr. is chairman of the show for the guild.

PLANS STOCK TRANSFER

COLUMBUS, Ohio (AP)—The Marietta Electric Co. has asked the state utilities commission for permission to sell $450,000 of its stock to its parent concern, Monongahela Power Co. of Fairmont, W. Va. The sale would enable Marietta Electric to repay $200,000 it borrowed from the parent company and to finance this year's $349,000 construction program, the company said.

CARROLL'S
IMPORTANT ANNOUNCEMENT

Recently, Speaker of the House Martin announced that he is in favor of reducing the Federal excise tax on jewelry. This reduction will probably be to the former 10%. Although final action is not expected to take place for some time, Carroll's Jewelry Store is anticipating this savings to you. Effective now, the purchase price on all Carroll's precious gems, jewelry, watches and other items will be reduced so that in effect this anticipated tax reduction is available to you now — except for those several fair traded items in our stock.
